statements and supporting authority But this doesn't mean the writer should just type words until the pages are filled Rambling freeform narratives are not what most writing instructors hope to see There is a better method and it can be found in this short booklet This booklet explains everything the writer needs to generate a successful narrative essay in step by step fashion Starting with a story goal proceeding through a timeline and finishing with two targeted paragraphs this booklet will turn a blank screen into a finished paper Table of Contents How to Use This Booklet What is a narrative essay Special Note Regarding Use of the Word Narrative Assignment Analysis beginning middle end outline the event on a timeline Thesis the Goal Beginning the Setup Premise Theme Characters Your point of view Middle Events on a timeline Action Dialogue Description A Special Note About Paragraphing A Special Note About One Exception to the Timeline A Special Note About the Second to Last Paragraph End the Resolution how you changed how things changed Proofreading Here's what students have said about this method This made it all seem really easy I thought I should just write about what happened If I had done that I would have left out some important things Thanks for showing me what was missing Whew I tried this and wrote my paper in record time
