Nabaneh,2023-11-08 Choice and Conscience offers a fresh and insightful perspective on the highly debated issue of conscientious objection in abortion care Satang Nabaneh s socio legal approach which draws on both traditional legal scholarship and African feminist intellectual traditions provides a nuanced understanding of how legal norms construct and maintain power relations By focusing on the experiences of nurses in South Africa Nabaneh explores the complexities of conscience discretionary power and socio cultural and political factors that influence nurses decisions about whether or not to conscientiously object In the wake of the recent rollback of abortion rights in the United States and the trend towards liberalisation within the African region Nabaneh provides an important African perspective on how the international human rights framework should strike a contextual balance between freedom of conscience and ensuring access to abortion Choice and Conscience will interest lawyers activists policymakers scholars and students exploring the dynamic intersections of law healthcare and gender politics Choice and Conscience stands as a significant and valuable addition to the ongoing global scholarship on this critical issue It underscores the vital concept that intersectionality should occupy a central place in our examination of how various local contexts give rise to layered forms of privilege and disadvantage Dr Tlaleng Mofokeng UN Special Rapporteur on the right to health Nabaneh s study of law in action zeros in on South African nurses gatekeepers who often object to the practice for reasons of conscience Her interviews of these nurses and her analysis complicate our

understanding of challenges to abortion access providing lessons applicable not only to South Africa and other African countries but everywhere where there is a gap between formal law and its application Mindy Jane Roseman JD PhD Yale Law School Written from an African feminist perspective this book offers fresh insights into our understanding of the intersection between politics mobilisation of discretionary power and the exercise of conscientious objection to abortion by mid level providers Charles Ngwenya Professor of Law Centre for Human Rights University of Pretoria This book offers powerful insights about how informal and background norms in health systems function constrain or enable reproductive justice Focusing on conscientious objection to abortion by nurses including midwives in South Africa Nabaneh sketches the importance of a feminist analysis that is situated in Africans lived realities Alicia Ely Yamin Harvard University [A Dream Realised](#) Ulrike Hill,Zanele Chakela,2020-01-06 How can there be only one dedicated hospital in the country for our children When Madiba asked this question he sowed the seeds of a challenge that would grow into a legacy A seed may be small but its size is disproportionate to what it can become over time The Nelson Mandela Children s Hospital was a project that seemed impossible when it was just an idea that started with ten people seated around a dinner table As they discussed the state of healthcare in the country and shared their experiences they realised that it was the children of Southern Africa who were the most disadvantaged by the lack of dedicated paediatric facilities At the end of the evening a statement by the late Dr Nthato Motlana took hold and became the catalyst for a remarkable journey I will speak to Nelson he said With South Africa s first democratically elected president Nelson Mandela s backing the board of the Children s Fund was inspired to take up the challenge to address this vital need After years of global research and advice from experts in numerous different fields a Trust was formed to oversee the project and critically to set about raising the one billion rand it would take to build equip and staff a state of the art children s hospital The stories behind the planning for fundraising and building of the Nelson Mandela Children s Hospital are inspiring personal and sometimes heart breaking It was a long and arduous journey beset with difficulties but the dedicated team s commitment and courage prevailed to create a living legacy that will truly impact the lives of children for generations to come Today the Nelson Mandela Children s Hospital in Johannesburg is a proud testimony to a uniquely African story which honours the memory of a great statesman and celebrates the children for whom he cared so deeply
