Dawn Lynne Faroe

Gauteng Caps Grade 11 Life Science Practicals:

Student Experiences of Life Science Practicals Dawn Lynne Faroe, 2000 Science educationists seem to agree that practical work should form an important component of any science course. Many students arrive at university without having been exposed to any practical work while others were exposed to a range of different practical activities. This background seems to impact on how students experience and benefit from laboratory work at university. This research is aimed at determining what first year students' experiences of the life science practical course were.
