3-Day Plan

If you are using the 3-day plan, teach the lessons for Days 1 and 2 on the first day.

DAY 2

Student Objectives

- Identify spelling words based on definitions.
- Replace syllables to form spelling words.
- Use a dictionary to verify definitions and respellings.

Teach

For items 1–10, tell students they should decide which spelling word most closely fits each definition. Point out that they can check the definitions of the spelling words in a print or online dictionary. Read aloud the directions for items 11–15, and do the first item together as a class.

Then read aloud the explanation about dictionary respellings in the last activity. Review the symbols used over the vowels in the respellings (straight line—long vowel sound; curved line—short vowel sound; backward e—schwa, which sounds like “uh”).

Practice

Have students complete page 3.

WORD STUDY

Have partners use the Unit 1 Word Sort Cards to do a **Buddy Sort**.

Differentiate

Have students complete the Extra Pattern Practice Masters from the *Teacher Resource Book* for differentiated practice with their spelling words.
