Resources in Education ,1998 Inside Jamaican Schools Hyacinth L. Evans,2001 Students and teachers of education in the Caribbean have long relied on ethnographic research from North America to enrich their understanding of life in schools and classrooms Based on actual experiences from the perspectives of both students and teachers this collection of ethnographic research articles provides the first up close view of Jamaican schools and classrooms Hyacinth Evans and her research team used careful well executed interviews and participant observation methods The result is an insightful view of the ways society s tensions are played out in educational settings the ways personalities are shaped and identities formed in face to face interactions and the ways circumstances and experiences in the Jamaican setting affect teaching and learning The articles examine Student teacher interaction Teacher authority how it is maintained nurtured or eroded The social construction of student interest and attention versus disruptiveness and apathy Consequences of streaming children in perceived ability groups Standard Jamaican English SJE methods and their effectiveness in teaching Creole speaking students The Anthropocene David R. Butler,2021-12-21 This book is devoted to the Anthropocene the period of unprecedented human impacts on Earth s environmental systems and illustrates how Geographers envision the concept of the Anthropocene This edited volume illustrates that geographers have a diverse perspective on what the Anthropocene is and represents The chapters also show that geographers do not feel it necessary to identify only one starting point for the temporal onset of the Anthropocene Several starting points are suggested and some authors support the concept of a time transgressive Anthropocene Chapters in this book are organized into six sections but many of them transcend easy categorization and could have fit into two or even three different sections Geographers embrace the concept of the Anthropocene while defining it and studying it in a variety of ways that clearly show the breadth and diversity of the discipline This book will be of great value to scholars researchers and students interested in geography environmental humanities environmental studies and anthropology The chapters in this book were originally published as a special issue of the journal Annals of the American Association of Geographers Culture and Computing Matthias Rauterberg,2022-06-16 This book constitutes the refereed proceedings of the 10th International Conference on Culture and Computing C C 2022 held as part of the 23rd International Conference HCI International 2022 which was held virtually in June July 2022 The total of 1271 papers and 275 posters included in the HCII 2022 proceedings was carefully reviewed and selected from 5487 submissions The C C 2022 proceedings presents topics such as User Experience Culture and Technology Culture and Computing in Arts and Music and preservation and fruition of cultural heritage as well as developing and shaping future cultures **Nutrition Education Printed Materials and Audiovisuals** Shirley King Evans,1990 Research in Education ,1974 *ERIC Educational Documents Index, 1966-1969: Minor descriptors. Sociology of Education James Ainsworth,2013-04-11 The sociology of education is a rich interdisciplinary field that studies schools as their own social world as well as their place within the larger society The field draws contributions from education sociology human development family studies economics politics and public policy Sociology of Education An A to Z Guide introduces students to the social constructions of our educational systems and their many players including students and their peers teachers parents the broader community politicians and policy makers The roles of schools the social processes governing schooling and impacts on society are all critically explored Despite an abundance of textbooks and specialized monographs there are few up to date reference works in this area Features Benefits 335 signed entries fill 2 volumes in print and electronic formats providing the most comprehensive reference resource available on this topic Cross References and Suggestions for Further Reading guide readers to additional resources A thematic Reader s Guide groups related articles by broad topic areas as one handy search feature on the e Reference platform which also includes a comprehensive index of search terms facilitating ease of use by both on campus students and distance learners A Chronology provides students with historical perspective on the sociology of education Journal of Education & Development in the Caribbean ,2002 **ERIC Educational Documents Index, 1966-69: Major descriptors** ,1970 **Pan-Africanism, and the Politics of African Citizenship and Identity** Toyin Falola,Kwame Essien,2013-10-08

There is no recent literature that underscores the transition from Pan Africanism to Diaspora discourse This book examines

the gradual shift and four major transformations in the study of Pan Africanism It offers an academic post mortem that seeks to gauge the extent to which Pan Africanism overlaps with the study of the African Diaspora and reverse migrations how Diaspora studies has penetrated various disciplines while Pan Africanism is located on the periphery of the field The book argues that the gradual shift from Pan African discourses has created a new pathway for engaging Pan African ideology from academic and social perspectives Also the book raises questions about the recent political waves that have swept across North Africa and their implications to the study of twenty first century Pan African solidarity on the African continent The ways in which African institutions are attracting and mobilizing returnees and Pan Africanists with incentives as dual citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan African ideology in the twenty first century Returnees are also using these incentives to gain economic and cultural advantage The book will appeal to policy makers government institutions research libraries undergraduate and graduate students and scholars from many different disciplines
