helped more than 1.5 million nurses pass the NCLEX exam. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill in the blank, figure illustration, hot spot, audio, video, and chart exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX RN test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX RN test plan. Preparation for your NCLEX RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX RN test plan covers the newest topics you could see on the exam. 600 questions are added for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content area index makes it easier to find questions and review a given disorder topic.

Writing First with Readings Laurie G. Kirsznér, Stephen R. Mandell, 2011-12-28. Best-selling authors and veteran college writing instructors Laurie Kirsznér and Stephen Mandell believe that students learn to write best when they use their own writing as a starting point. In *Writing First with Readings*, Practice in Context, designed for the paragraph-to-essay course, Kirsznér and Mandell take seriously the ideas and expressive abilities of developmental students as well as their need to learn the rules of writing and grammar. Visual writing prompts that open every chapter get students writing immediately. By moving frequently between their own writing, writing models, and instruction, and workbook-style mastery exercises, students get constant reinforcement of the skills they are learning. Thoughtful chapters on college success, research, and critical reading, along with high-interest essays, round out the text, making it the perfect introduction to college writing. Read the preface.
