University English for Academic Purposes in China Xiaofei Rao,2018-07-07 This book uses an in depth

phenomenological interview approach to explain the generational characteristics of today s Chinese university youths and the critical dispositions they believe indispensable in acquiring English as an academic language in and outside school settings By presenting the authentic voices of the recruited participants the book clarifies how English for academic purposes EAP as an emerging global phenomenon and a research informed practice enables and empowers them for conscious self transformation and critical awareness development through language study The book also explores issues arising in the fields of general English language teaching as well as traditional and critical EAP and discusses university English language learners learning needs and rights The book further promotes a dynamic and transformative University EAP pedagogy of particularity practicality and possibility moving from the oppression of language education to its liberation and the increasing critical consciousness among the present and future university youths in a time of great social changes 1974-75 NCTE

Teaching English to the World George Braine,2014-04-08 Teaching English

to the World History Curriculum and Practice is a unique collection of English language teaching ELT histories curricula and personal narratives from non native speaker NNS English teachers around the world No other book brings such a range of international ELT professionals together to describe and narrate what they know best The book includes chapters from Brazil China Germany Hong Kong Hungary India Indonesia Israel Japan Lebanon Poland Saudi Arabia Singapore Sri Lanka and Turkey All chapters follow a consistent pattern describing first the history of English language teaching in a particular country then the current ELT curriculum followed by the biography or the autobiography of an English teacher of that country This consistency in the structuring of chapters will enable readers to assimilate the information easily while also comparing and contrasting the context of ELT in each country The chapter authors all born in or residents of the countries they represent and speakers of the local language or languages as well as English provide insider perspectives on the challenges faced by local English language teachers There is clear evidence that the majority of English teachers worldwide are nonnative speakers NNS and there is no doubt that many among them have been taught by indigenous teachers who themselves are nonnative speakers This book brings the professional knowledge and experience of these teachers and the countries they represent to a mainstream Western audience including faculty professionals and graduate students in the field of ESL to the international TESOL community and to ELT teachers around the world **Practical English, a Scholastic Magazine** ,1963
