P. Wolf, 2015-05-01 Thirty nine essays explore the vast diversity of video game history and culture across all the world's continents Video games have become a global industry and their history spans dozens of national industries where foreign imports compete with domestic productions legitimate industry contends with piracy and national identity faces the global marketplace This volume describes video game history and culture across every continent with essays covering areas as disparate and far flung as Argentina and Thailand Hungary and Indonesia Iran and Ireland Most of the essays are written by natives of the countries they discuss many of them game designers and founders of game companies offering distinctively firsthand perspectives Some of these national histories appear for the first time in English and some for the first time in any language Readers will learn for example about the rapid growth of mobile games in Africa how a meat packing company held the rights to import the Atari VCS 2600 into Mexico and how the Indonesian MMORPG Nusantara Online reflects that country's cultural history and folklore Every country or region's unique conditions provide the context that shapes its national industry for example the long history of computer science in the United Kingdom and Scandinavia the problems of piracy in China the PC Bangs of South Korea or the Dutch industry's emphasis on serious games As these essays demonstrate local innovation and diversification thrive alongside productions and corporations with global aspirations Africa Arab World Argentina Australia Austria Brazil Canada China Colombia Czech Republic Finland France Germany Hong Kong Hungary India Indonesia Iran Ireland Italy Japan Mexico The Netherlands New Zealand Peru Poland Portugal Russia Scandinavia Singapore South Korea Spain Switzerland Thailand Turkey United Kingdom United States of America Uruguay Venezuela **Log Home Living**, 2000-07 Log Home Living is the oldest largest and most widely distributed and read publication reaching log home enthusiasts For 21 years Log Home Living has presented the log home lifestyle through striking editorial photographic features and informative resources For more than two decades Log Home Living has offered so much more than a magazine through additional resources shows seminars mail order bookstore Web site and membership organization That's why the most serious log home buyers choose Log Home Living Desegregating Comics Qiana Whitted, 2023-05-12 Some comics fans view the industry's Golden Age 1930s 1950s as a challenging time when it comes to representations of race an era when the few Black characters appeared as brutal savages devious witch doctors or unintelligible minstrels Yet the true portrait is more complex and reveals that even as caricatures predominated some Golden Age comics creators offered more progressive and nuanced depictions of Black people *Desegregating Comics* assembles a team of leading scholars to explore how debates about the representation of Blackness

shaped both the production and reception of Golden Age comics Some essays showcase rare titles like *Negro Romance* and consider the formal innovations introduced by Black comics creators like Matt Baker and Alvin Hollingsworth while others examine the treatment of race in the work of such canonical cartoonists as George Herriman and Will Eisner The collection also investigates how Black fans read and loved comics but implored publishers to stop including hurtful stereotypes As this book shows Golden Age comics artists writers editors distributors and readers engaged in heated negotiations over how Blackness should be portrayed and the outcomes of those debates continue to shape popular culture today
