Excellence in Worship Darrelle R. Alexander, 2006-07-27 Church musicians compensation obfuscates many religious people One commentator of a nationally syndicated religious radio program stated that from all the religious questions none is as controversial as Should church musicians should be paid Darrell Alexander resolves the answer through fundamental Bible texts If you are a church musician minister of music soloist instrumentalist choir member church member trustee finance committee member music workshop organizer teacher music workshop presenter praise team member interested in becoming a church musician choir president organist pianist choir director chorister church board member deaconess pastor asst pastor deacon professors a bishop a priest a member of the leadership system for your congregation denomination and or any religious organization students of Theology Music Worship and Praise Sacred Music or just have a curiosity about whether church musicians should be compensated then this book is a MUST READ for you Darrell Alexander the author discusses the foundations of the creation of the world Lucifer and the war in Heaven the Levites tithes and offerings and ways to bridge the gap between ministers musicians choir members administrations and leadership systems of churches and religious denominations How do we differentiate between who is compensated in the church or not compensated The author prays that Excellence in Worship Should Church Musicians Be Paid helps to transform any assumptions of ideations paradigms and traditions within churches and denominations and their leaders and members concerning the subject so that

we all may continue to strive for excellence in worship to God Every church and its members and officials should have a copy in their library Excellence in Worship Should Church Musicians Be Paid is straight talk concerning music excellence in worship tithes offerings and the church *Technical Manual* United States. key Honoring God the Father and His Son Yeshua in all aspects is something that the author strove to hear God's leading on from start to finish Over the last twenty years many books articles and movies have been written and filmed about the postapocalyptic world both fiction and non fiction howaEURto centering on what to do and how to do it Most if not nearly all have focused on a few major topics with perhaps another one or two side issues In this book the author has endeavored to cover as many facets as possible that will come into play as given to him by God's Spirit Financial collapse firearms selfaEURdefense breakdown of law and order cannibalism barter invasion by the UN the setting up of a retreat basic survival skills and medical care by amateurs have all been covered in other works and usually quite well But as they say on TV wait there's more much much more Also woven into this work are torture suicide homosexuality and the subsequent deliverance from it along with the very real probability of Islamic terrorism Then we get to for the most part the forgotten wild cards a command structure for the leadership unparalleled cataclysmic geological upheaval pandemic outbreak the setting up of a city of refuge for God's people and without question the most neglected yet far and away most important deciding factor in all this the last days move of God Mix all these factors together and there we will find ourselves in uncharted waters
