**Self-Interest Vs. Altruism in the Global Era** Michael Laitman,2011-01-01 Self Interest vs Altruism in the Global Era regards the world s challenges as necessary consequences of humanity s growing egotism rather than a series of errors The book suggests ways to use our egos for society s benefit rather than trying to suppress them The books offers a novel understanding of humanity s existence on this planet a birds eye view of history as a record of humankind s growing egotism as well as a solution to our current social challenges [The Hidden Land of Israel](#) Michael Sanilevich,2023-09-21 What is the spell of the land of Israel What makes this semi arid piece of land a focal point for millions of tourists from every corner of the world What has made Israel a point of contention for thousands of years The land of Israel holds within it spiritual forces the forces that create all of life Israel s unique geography reflects these forces causing the landscape in this tiny country to change every few dozen miles The Hidden Land of Israel A Spiritual Journey in Time takes us through these places and reveals the forces hidden behind them The book is a fascinating journey through sceneries as much as it is a journey through the soul No other book reveals so vividly the secrets of this ancient land The book is based on a series of documentaries by Michael Sanilevich directed by Semion Vinokur Scan the QR code to watch the trailer **Commentary on the daily prayers** Menahem ben Binyamin Rekanati, *The Christian examiner and Church of Ireland magazine* ,1826

[Sanctified Sex](#) Noam Sachs Zion,2021-08 Sanctified Sex draws on two thousand years of rabbinic debates addressing competing aspirations for loving intimacy passionate sexual union and sanctity in marriage What can Judaism contribute to our struggles to nurture love relationships What halakhic precedents are relevant and how are rulings changing The rabbis of course seldom agree Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success *Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature* John McClintock,James Strong,1889 [The Art of Deception is the Rule of Life](#) Albert Amao Soria Ph.D.,2024-07-09 This book is a spiritual journey of self discovery for those open minded and willing to embrace the truth even if it means confronting deep rooted false beliefs inherited from our ancestors It is a call to step out of the comfort of blissful ignorance and into the light of personal enlightenment Ignoring the

truth may provide temporary solace but it can lead to greater despair and fear in the long term This existential gap is usually filled with religions myths and legends however these stories may not be entirely factual Nevertheless they provide solace and a sense of purpose in life so they are often considered well intentioned pious fiction Many desire to know the truth but few are genuinely prepared to handle it This book challenges many core beliefs and convictions held as accurate it may lead to existential conflict As King Solomon wisely said For with much wisdom comes much sorrow the more knowledge the more grief Ecclesiastes 1 18 These words resonate with the essence of this book inviting you to embark on a journey of self discovery and truth seeking It highlights the transformative potential of this process as those who can confront the truth honestly undergo a psychological catharsis a liberation of erroneous assumptions Thus this book is not for the faint of heart More than 2 500 years ago Buddha stated that life is an illusion and today s most accurate science quantum physics asserts that we live in virtual reality The truth can challenge our deepest convictions and induce confusion because we live based on false assumptions imposed by our ancestors mass media outdated education systems and traditional erroneous beliefs

**Cyclopedia of Biblical, Theological, and Ecclesiastical Literature** John McClintock,1887      **Adult Catalog:**  
**Subjects** Los Angeles County Public Library,1970      Cyclopædia of Biblical, Theological, and Ecclesiastical Literature John McClintock,James Strong,1891      The Generations of Adam Isaiah Horowitz,1996 Here is a first time English translation of a seventeenth century classic of Jewish literature that deals with many of the most important issues addressed by Kabbalists since the late twelfth century Horowitz c 1570 1626 served as rabbi of several of the most important European Jewish communities before becoming Chief Ashkenazic Rabbi of Jerusalem in 1621 Publisher description      Mystifying Kabbalah Boaz Huss,2020-09-10 Most scholars of Judaism take the term Jewish mysticism for granted and do not engage in a critical discussion of the essentialist perceptions that underlie it Mystifying Kabbalah studies the evolution of the concept of Jewish mysticism It examines the major developments in the academic study of Jewish mysticism and its impact on modern Kabbalistic movements in the contexts of Jewish nationalism and New Age spirituality Boaz Huss argues that Jewish mysticism is a modern discursive construct and that the identification of Kabbalah and Hasidism as forms of mysticism which appeared for the first time in the nineteenth century and has become prevalent since the early twentieth shaped the way in which Kabbalah and Hasidism are perceived and studied today The notion of Jewish mysticism was established when western scholars accepted the modern idea that mysticism is a universal religious phenomenon of a direct experience of a divine or transcendent reality and applied it to Kabbalah and Hasidism Jewish mysticism gradually became the defining category in the modern academic research of these topics This book clarifies the historical cultural and political contexts that led to the identification of Kabbalah and Hasidism as Jewish mysticism exposing the underlying ideological and theological presuppositions and revealing the impact of this mystification on contemporary forms of Kabbalah and Hasidism

Torah and Nondualism James H. Cumming, 2019-12-15 Torah and Nondualism is a commentary on the Torah or Pentateuch meaning five books written in the form of five essays one for each book It reconciles modern biblical scholarship with the Jewish hermeneutical techniques recorded in the Zohar and shows that the meanings these interpretive techniques reveal are so consistent and illuminating throughout the Bible that they must have been intended by its redactors By combining these traditional methods with modern insights the book uncovers hidden themes in the Bible that other commentaries have overlooked Specifically Torah and Nondualism discovers a syncretistic subtext in the Pentateuch aimed at reconciling two religious cultures one rooted in Egyptian esoteric tradition and the other in Canaanite mythology and practice In later times these two religious cultures corresponded roughly to two rival kingdoms Judah and Israel The Torah ingeniously harmonizes this spiritual and political rift When this subtext is fully appreciated it is recognizable in all the Torah's most obscure rituals Even those priestly rites associated with temple worship are understandable The bitter rebellion against Moses and Aaron's leadership is presented in terms of the Torah's effort to harmonize conflict sometimes by demanding great personal sacrifice Illustrated to make the complexities of scribal hermeneutics readily accessible to the nonexpert Torah and Nondualism requires no prior knowledge of Hebrew and introduces the reader to an esoteric level of Bible interpretation previously known only to a small group of trained Hebrew scribes Its intelligent and well supported analysis promises to change the way you think about the Bible

*'Our Place in al-Andalus'* Gil Anidjar, 2002 This book offers a reading of Andalusi Jewish and Arabic texts that represent the 12th and 13th centuries as the end of el Andalus Islamic Spain

The Alchemy of Light Urszula Szulakowska, 2021-10-01 This study concerns the late Renaissance metaphysics of light in its adoption to a Paracelsian alchemical context by John Dee Heinrich Khunrath Michael Maier and Robert Fludd Their alchemical theosophy is contextualised within Protestant reformism of the 1590s to 1620s specifically that of Valentin Weigel and Johannes Arndt This results in a re assessment of the Rosicrucian movement which challenges the existing historiography and problematises the character of the movement The volume includes fifty illustrations from alchemical treatises of the period the emphasis being placed on Khunrath's *Amphiteatrum Sapientiae Aeternae* 1595 1609 In an innovative manner the study investigates these images using analytical tools drawn from semiotics structuralism and post structuralism This method yields an unusual interpretation of the geometry optical diagrams and spatial structures employed in such alchemical engravings

Eusebius, Onomasticon R. Steven Notley, Ze'ev Safrai, 2005-06-15 One of the challenging tasks for archaeologists and biblical historians alike is the identification of sites mentioned in the Bible some of which were destroyed and disappeared in time without a trace The first comprehensive attempt to locate these places was that of Eusebius the bishop of Caesarea and fourth century church historian ca 260 339 CE In his *Onomasticon* Eusebius cataloged most of the cities sites and regions mentioned in the

Old and New Testaments Supplementing his list when possible Eusebius provided detailed information concerning the sites history and location including their distances in Roman miles from other well known metropolitan centers in fourth century Palestine The Onomasticon of Eusebius is the most important book for the study of the Land of Israel in the Roman period Scholars and students alike will find his work indispensable for an understanding the physical settings of the biblical narrative *Phenomenology and the Human Positioning in the Cosmos* Anna-Teresa Tymieniecka, 2012-10-11 The classic conception of human transcendental consciousness assumes its self supporting existential status within the horizon of life world nature and earth Yet this assumed absoluteness does not entail the nature of its powers neither their constitutive force This latter call for an existential source reaching beyond the generative life world network Transcendental consciousness having lost its absolute status its point of reference it is the role of the logos to lay down the harmonious positioning in the cosmic sphere of the all establishing an original foundation of phenomenology in the primogenital onto-poiesis of life
