Prioritizing the Common Core offers common sense solutions to the dilemmas teachers face today in implementing the new more rigorous national standards. Chapters present a rationale for prioritizing the Common Core a step by step process for prioritizing standards in language arts and mathematics strategies for soliciting feedback and input from everyone in the district or school prior to the final determination of the Priority Standards and detailed summaries of the process schools in six different districts used to identify their Priority Standards with accompanying commentary by those who directed the work.

Early Childhood Curriculum for All Learners Ann M. Selmi, Raymond J. Gallagher, Eugenia R. Mora-Flores, 2014-08-12

Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills. The authors link solid play based research to specific developmentally appropriate practices. By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play. In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions. It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades. Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms.
