Adventures in Fishing for Men Jeremy Myers, 2018-06-05 Does evangelism and witnessing make you uncomfortable If so you're about to be set free or maybe you'll become even more uncomfortable Using irony satire and humor Jeremy Myers writes Adventures in Fishing for Men as an allegorical story about a man's quest to become a world famous fisherman without ever catching any fish As an allegory about evangelism this book is not about fishing but about fishing for men While a few of the stories are from the author's own life all of the stories portray the general Christian approach to evangelism As you read Adventures in Fishing for Men you will see yourself in many of the stories and will either be set free from some of the strange methods of modern evangelistic practices or you will become upset at how your cherished traditions are being portrayed But these were the two ways people responded to the parables of Jesus as well The nameless fisherman of this book serves as a mirror to all who read of his adventures shining a light on how far Christianity has strayed from the example set by Jesus He who has ears to hear let him hear

lism

The Rough Guide to First-Time Europe (Travel Guide eBook) Rough Guides, 2016-02-01 You can get to Europe even travel around it without help But without a little pre trip planning you'll make mistakes wasting both time and money The Rough Guide to First Time Europe gives you the tools you need to get the best out of your trip whatever your time frame and budget There are expert tips on every aspect of travelling around Europe from how to pick up free accommodation to how to earn money when you're on the move Beyond budgeting advice the guide also includes practical suggestions on how to enrich your experience abroad from volunteering opportunities to picking travel companions Finally the fully illustrated Where to Go section gives you vivid concise profiles of more than thirty countries in Europe with a rundown of the main attractions and festivals plus maps and advice on when to visit Make the most of your trip with The Rough Guide to First Time Europe

Notjohn's Guide to E-Book Formatting N.J. Notjohn,2017-01-01 The self publisher s bible In this clear and entertaining ten step guide now in its eighth edition a prolific American author tells how he formats his books using free software for upload to online bookstores The secret he explains is to use the universal epub format to create a single e book file that will be accepted by every digital retailer from Amazon com through Barnes more often it doesn t because these programs litter the file with hidden formatting The result can be a disaster Instead the word processing document should be converted to clean HTML the markup language used to create a web page All e books are web pages at heart and the Kindle and other e book readers are just special purpose web browsers The conversion from document to HTML file takes seconds It can then be plugged into a simple template that Notjohn includes in this Guide and also makes available on his blog for anyone to use He also supplies a style sheet to format the book for best appearance on the Kindle Fire tablet the various Kindle apps as well as on competing tablets and e book readers If all else fails there s Plan B a stripped down template for novels and for non fiction that consists mostly of text He concludes with a chapter on how best to present your e book on the Kindle platform with hints on encrypting the book copyrighting it and pricing it for the greatest return And new this year a chapter on adapting the e book to a print edition With illustrations and screenshots Revised and updated 2017edition
