The Book

That Broke the World Mark Lawrence, 2025-03-04 Two people living in a world connected by an immense and mysterious library must fight for those they love in the second book in a new trilogy from the international bestselling author of *The Book That Wouldn't Burn*. The Library spans worlds and times. It touches and joins distant places. It is memory and future. And amid its vastness, Evar Eventari, both found and lost, Livira Page. Evar has been forced to flee the library, driven before an implacable foe. Livira, trapped in a ghost world, has to recover the book she wrote, one which is the only true threat to the library's existence if she's to return to her life. While Evar's journey leads him outside into a world he's never seen, Livira's path will take her deep inside her own writing, where she must wrestle with her stories in order to reclaim the volume in which they were written. The secret war that defines the library has chosen its champions and set them on the board. The time has come when they must fight for what they believe or lose everything. The Book That Wouldn't Burn Mark

Lawrence, 2024-03-05 Two strangers find themselves connected by a vast and mysterious library containing many wonders and still more secrets in this powerfully moving first book in a new series from the international bestselling author of *Red Sister* and *Prince of Thorns*. The boy has lived his whole life trapped within a book-choked chamber older than empires and larger than cities. The girl has been plucked from the outskirts of civilization to be trained as a librarian, studying the mysteries of the great library at the heart of her kingdom. They were never supposed to meet. But in the library, they did. Their stories spiral around each other across worlds and time. This is a tale of truth and lies, and hearts, and the blurring of one into another. A journey on which knowledge erodes certainty, and on which, though the pen may be mightier than the sword, blood will be spilled and cities burned. *The Book That Held Her Heart* Mark Lawrence, 2025-04-08 Two people once connected

by a vast and mysterious library are now separated and must overcome time and distance to reunite and bring peace to their worlds in the final book of the Library Trilogy. The fate of an infinite library hangs on one book, a book that holds the power to break the unbreakable. In the face of such forces, fragile things like hearts, worlds, and even family seem certain to fail. The people most vital to Livira are scattered across time and space, lost, divided into factions in mortal peril. Somehow, she must bring them together and resolve the unresolvable argument that fuels the library's war. The bond between Livira and Evar has stretched and stretched again. Can it hold at the end when things fall apart? Can it unite them against impossible odds? This is the last chapter, the final page. The end threatens, and no one—not characters, readers, or even the author—will emerge unscathed. **Grey Sister** Mark Lawrence, 2019-02-26 The second novel in a brilliant fantasy trilogy from the international

bestselling author of *Prince of Thorns*. Behind its walls, the Convent of Sweet Mercy has trained young girls to hone their skills for centuries. In Mystic Class, Novice Nona Grey has begun to learn the secrets of the universe. But so often, even the deepest truths just make our choices harder. Before she leaves the convent, Nona must choose which order to dedicate herself to, and whether her path will lead to a life of prayer and service, or one of the blade and the fist. All that stands between her and these choices are the pride of a thwarted assassin, the designs of a would-be empress, and the Inquisition, wielded like a knife.

and the vengeance of the empire's richest lord As the world narrows around her and her enemies attack her through the system she is sworn to Nona must find her own path despite the competing pulls of friendship revenge ambition and loyalty And in all this only one thing is certain there will be blood

The Girl and the Mountain Mark Lawrence, 2022-04-05 The second novel in the thrilling and epic new fantasy series from the international bestselling author of *Red Sister* and *Prince of Thorns* On the planet Abeth there is only the ice And the Black Rock For generations the priests of the Black Rock have reached out from their mountain to steer the fate of the ice tribes With their Hidden God their magic and their iron the priests' rule has never been questioned But when ice triber Yaz challenged their authority she was torn away from the only life she had ever known and forced to find a new path for herself Yaz has lost her friends and found her enemies She has a mountain to climb and even if she can break the Hidden God's power her dream of a green world lies impossibly far to the south across a vast emptiness of ice Before the journey can even start she has to find out what happened to the ones she loves and save those that can be saved Abeth holds its secrets close but the stars shine brighter for Yaz and she means to unlock the truth

The Girl and the Stars Mark Lawrence, 2021-02-23 A stunning new epic fantasy series following a young outcast who must fight with everything she has to survive set in the same world as *Red Sister* In the ice east of the Black Rock there is a hole into which broken children are thrown Yaz's people call it the Pit of the Missing and now it is drawing her in as she has always known it would To resist the cold to endure the months of night when even the air itself begins to freeze requires a special breed Variation is dangerous difference is fatal And Yaz is not the same Yaz's difference tears her from the only life she's ever known away from her family from the boy she thought she would spend her days with and has to carve out a new path for herself in a world whose existence she never suspected A world full of difference and mystery and danger Yaz learns that Abeth is older and stranger than she had ever imagined She learns that her weaknesses are another kind of strength and that the cruel arithmetic of survival that has always governed her people can be challenged

The Girl and the Moon Mark Lawrence, 2023-03-07 In the third exhilarating novel in this dazzling epic fantasy series a young outcast will fight against staggering odds to save her world On the planet Abeth a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive Ice triber Yaz has completed a perilous journey and arrived at the Corridor and it exceeds and overwhelms all of her expectations Everything seems different but some constants remain her old enemies are still two steps ahead bent on her destruction She makes her way to the Convent of Sweet Mercy where nuns train young girls who show the old gifts but like the Corridor itself the convent is packed with peril and opportunity Yaz has much to learn from the nuns if they don't decide to execute her The fate of everyone squeezed between the Corridor's vast walls and ultimately the fate of those laboring to survive out on ice itself hangs from the moon and the battle to save the moon centers on the Ark of the Missing buried beneath the emperor's palace Everyone wants Yaz to be the key that will open the Ark the one the wise have sought for generations But sometimes wanting isn't enough

The Liar's

Key Mark Lawrence,2015-06-02 From the international bestselling author of the Broken Empire trilogy comes the second book of the Red Queen s War After harrowing adventure and near death Prince Jalan Kendeth and the Viking Snorri ver Snagason find themselves in possession of Loki s key an artefact capable of opening any door and sought by the most dangerous beings in the Broken Empire including the Dead King Jal wants only to return home to his wine women and song but Snorri has his own purpose for the key to find the very door into death throw it wide and bring his family back into the land of the living And as Snorri prepares for his quest to find death s door Jal s grandmother the Red Queen continues to manipulate kings and pawns toward an endgame of her own design *Holy Sister* Mark Lawrence,2019-04-09 The searing conclusion of the thrilling epic fantasy trilogy that saw a young girl trained by an arcane order of nuns grow into the fiercest of warriors They came against her as a child Now they face the woman The ice is advancing the Corridor narrowing and the empire is under siege from the Scithrowl in the east and the Durns in the west Everywhere the emperor s armies are in retreat Nona Grey faces the final challenges that must be overcome if she is to become a full sister in the order of her choice But it seems unlikely that she and her friends will have time to earn a nun s habit before war is on their doorstep Even a warrior like Nona cannot hope to turn the tide of war The shiphearts offer strength that she might use to protect those she loves but it s a power that corrupts A final battle is coming in which she will be torn between friends unable to save them all A battle in which her own demons will try to unmake her A battle in which hearts will be broken lovers lost thrones burned

Red Sister Mark Lawrence,2018-02-27 The international bestselling author of the Broken Empire and the Red Queen s War trilogies begins a stunning epic fantasy series about a secretive order of holy warriors At the Convent of Sweet Mercy young girls are raised to be killers In some few children the old bloods show gifting rare talents that can be honed to deadly or mystic effect But even the mistresses of sword and shadow don t truly understand what they have purchased when Nona Grey is brought to their halls A bloodstained child of nine falsely accused of murder guilty of worse Nona is stolen from the shadow of the noose It takes ten years to educate a Red Sister in the ways of blade and fist but under Abbess Glass s care there is much more to learn than the arts of death Among her class Nona finds a new family and new enemies Despite the security and isolation of the convent Nona s secret and violent past finds her out drawing with it the tangled politics of a crumbling empire Her arrival sparks old feuds to life igniting vicious struggles within the church and even drawing the eye of the emperor himself Beneath a dying sun Nona Grey must master her inner demons then loose them on those who stand in her way *The War Within - Between Good and Evil* Bhimeswara Challa, The human has always prided himself as an exceptional moral species but has always been haunted by two questions Why am I not good when I want to be why do I do bad when I don t want to This is at the heart of what scriptures and sages have long alluded to as the eternal internal struggle between good and evil that wages in the human consciousness The book posits that much of our confusion and angst stems from our inability to recognize the ramifications of this war between two sides of our own self It is because we are

ignoring this war between two sides of our own self It is because we are ignoring this war that we are losing all other wars of the world That ignorance is the primary source of all the horrors malevolence and violence that fill us with so much dread But a favorable outcome is possible only if the forces of goodness are aided to get an upper hand consistently and that calls for two cathartic changes consciousness change by inducing a turn from the mind to the heart and contextual change by radically reconstructing the roles of morality money and mortality in our everyday lives The book offers a menu of insights and options we all can use to tilt the scales in the war waging inside each of us
