in May He was a tall virile man of handsome features with raven black hair but his peculiar eyes appeared familiar to Leonor and not only the eyes but his masculinity his gait in essence the entire package That something about him woke up her curiosity and even though being a Protestant she had never gone to Our Lady or any church for that matter she chose to follow him inside To her dismay she discovered that the bishop at the altar officiating mass indeed was John the lover who had abandoned her The ringing of the small bells signaling the elevation ritual when John the bishop raised the consecrated elements of bread and wine during the celebration of the Eucharist allowed her to see the features of his full face Immediately she launched in anger toward him without realizing the importance of the sacredness of the moment and went up the steps of the altar to expose the bishops adulterous behavior in front of the community of Catholics The faithful people shocked and angry rushed to seize her and hauled her off to the bottom of a wet and dark jail cell at a nearby prison The tribunal took six months to find her guilt of heresy blasphemy and spreading publicly slanderous calumnies against the reverend bishop and sentenced her to death by hanging In the scaffold the executioner placed the noose around her neck and the trap door opened As she fell to the void of her death she began to spookily shout while swinging in the hangmans rope However those shouts were not of dying but were from labor pains An innocent and scared creature had dropped still connected to the umbilical cord of the mother s placenta fallen on the scaffolds hardwood begun crying and extended the arms as begging for the mercy of innocence while seeking the comfort warmth and love that only a mother could give Edited and Translated by Eduardo Berdugo      *The new world order* Thomas H. Henriksen,1992 This essay cautions that since the collapse of the Soviet Union the world has become more disorderly and less predictable than during the cold war Drawing on twentieth century lessons it warns the United States about the twin dangers of diplomatic disengagement from international affairs and drastic thoughtless reductions in our military forces It also comments on recent defense budget reductions as set forth by the Pentagon and President George Bush in his 1992 State of the Union address      **His Return** Richard N. **The Madisons at Montpelier** Ralph Ketcham,2009-04-29

Restored to its original splendor Montpelier is now a national shrine but before Montpelier became a place of study and

tribute it was a home Often kept from it by the business of the young nation James and Dolley Madison could finally take up permanent residence when they retired from Washington in 1817 Their lifelong friend Thomas Jefferson predicted that at Montpelier the retiring Madison could return to his books and farm to tranquility and independence that he would be released from incessant labors corroding anxieties active enemies and interested friends As the celebrated historian Ralph Ketcham shows this would turn out to be only partly true Although the Madisons were no longer in Washington Dolley continued to take part in its social scene from afar dominating it just as she had during Jefferson s and her husband s administrations commenting on people and events there and advising the multitude of young people who thought of her as the creator of society life in the young republic James maintained a steady correspondence about public questions ranging from Native American affairs slavery and utopian reform to religion and education He also took an active role at the Virginia Constitutional Convention of 1829 30 in the defeat of nullification and in the establishment of the University of Virginia of which he was the rector for eight years after Jefferson s death Exploring Madison s role in these post presidential issues reveals a man of extraordinary intellectual vitality and helps us to better understand Madison s political thought His friendships with figures such as Jefferson James Monroe and the Marquis de Lafayette as well as his assessment of them he outlived them all shed valuable light on the nature of the republic they had all helped found In their last years James and Dolley Madison personified the republican institutions and culture of the new nation James as the father of the Constitution and its chief propounder for nearly half a century and Dolley as the creator of the role of First Lady Anything but uneventful the retirement period at Montpelier should be seen as a crucial element in our understanding of this remarkable couple
