Balanchine's Lost Ballets Elizabeth Kattner, 2020-10-20 Ever since George Balanchine arrived on the American dance scene in 1933, his revolutionary fleet-footed repertoire has been immortalized in the ballet canon. Yet most of the works he created in Russia as a budding choreographer have been lost to history until now. In the first book to focus exclusively on Balanchine's Russian ballets, Elizabeth Kattner offers new insights into the artistic evolution of a legend through her reconstruction of his first group ballet, *Funeral March*. Drawing on more than a decade of research conducted in archives in the United States and Europe, Kattner synthesizes textual descriptions, photographs, musical scores, and the comparative study of other early Balanchine ballets in order to recreate this forgotten work. By interpreting and building upon these historical findings in the studio and in performance, this project enables dance history to be experienced kinesthetically. Addressing the controversy surrounding whether unrecorded dances should be reconstructed in the first place, Kattner meticulously describes her research methodologies, providing a valuable resource for other scholars seeking to revive history in this way. *Finding Balanchine's Lost Ballets* enriches our understanding of Balanchine's development as a choreographer through its ambitious original approach to the subject. Kattner argues for the importance of dance reconstruction when correctly approached as a tool for reimagining the past and charting the future possibilities of dance history research.

Lost in the Funhouse Bill Zehme, 2009-11-04 From renowned journalist Bill Zehme, author of the New York Times bestselling *The Way You Wear Your Hat*, Frank Sinatra and the *Lost Art of Living* comes the first full-fledged biography and the only complete story of the late comic genius Andy Kaufman. Based on six years of research, Andy's own unpublished, never-before-seen writings, and hundreds of interviews with family members, friends, and key players in Andy's endless charades, many of whom have become icons in their own right, *Lost in the Funhouse* takes us through the maze of Kaufman's mind and lets us sit deep behind his mad, dazzling blue eyes to see firsthand the fanciful landscape that was his life. Controversial, chaotic, splendidly surreal, and tragically brief, what a life it was. Andy Kaufman was often a mystery even to his closest friends. Remote, aloof, impossible to know, his internal world was a kaleidoscope of characters fighting for time on the outside. He was as much Andy Kaufman as he was Foreign Man, Dank You, Veddy Much, who became the lovably bashful Latka on the hit TV series *Taxi*. He was as much Elvis Presley as he was the repugnant Tony Clifton, a lounge singer from Vegas who hated any audience that came to see him and who seemed to hate Andy Kaufman even more. He was a contradiction, a paradox on every level, an artist in every sense of the word. During the comic boom of the seventies, when the world had begun to discover the prodigious talents of Steve Martin, Richard Pryor, John Belushi, Bill Murray, and so many others, Andy was simply doing what he had always done in his boyhood reveries. On the debut of *Saturday Night Live*, he stood nervously next to a phonograph

that scratchily played the theme from Mighty Mouse He fussed and fidgeted waiting for his moment When it came he raised his hand and moved his mouth to the words Here I come to save the day In that beautiful deliverance of pantomime before the millions of people for whom he had always dreamed about performing Andy triumphed He changed the face of comedy forever by lurching across boundaries that no one knew existed He was the boy who made life his playground and never stopped playing even when the games proved too dangerous for others And in the end he would play alone just as he had when it was all only beginning In *Lost in the Funhouse* Bill Zehme sorts through a life of disinformation put forth by a master of deception to uncover the motivation behind the manipulation Magically entertaining it is a singular biography matched only by its singular subject
