Last Hostage English Edition:

The Complete Works of Lord Byron from the Last London Edition George Gordon Byron Baron Byron, 1837 *The History of Afghanistan (6 Vol. Set)* Fayz Muhammad Kātib Hazārah, 2012-12-19 The Sir j al taw r kh is the most important history of Afghanistan ever written This pinnacle of the rich Afghan historiographic tradition is available in English translation annotated fully indexed including an introduction eight appendices Persian English and English Persian glossaries and bibliography *The Bookman*, 1893 **Last Lion** Peter S. Canellos, 2009-02-17 The comprehensive New York Times bestselling biography of Senator Ted Kennedy dives deeply into his political career his shocking downfall and his redemption from disappointing member of a grand dynasty to respected sage in the Senate No figure in American public life had such great expectations thrust upon him and fallen short of them so quickly But Ted Kennedy the gregarious pudgy and least academically successful of the Kennedy boys became the most powerful senator for over forty years and the nation's keeper of traditional liberalism As Peter S Canellos and his team of reporters from The Boston Globe show in this intimate biography Ted witnessed greater tragedy and suffered greater pressure than his siblings He inherited a generation's dreams and was expected to help confront his nation's problems in order to build a fairer society But political rivals turned his all too human failings into a condemnation of his liberal politics As the presidency eluded his grasp Kennedy was finally free to become his own man He transformed himself into a symbol of wisdom and perseverance Perceptive and carefully reported drawing from candid interviews with the Kennedy family Last Lion captures magnificently the life historic achievements and personal redemption of Ted Kennedy and offers a fresh assessment of his enduring legacy **America-The Last Best Hope Volumes I and II** William J. Bennett, 2007-10-14 William J Bennett reacquaints America with its heritage in two volumes of America The Last Best Hope While national test scores reveal that American students know startlingly little about their history former U S Education Secretary William J Bennett offers one of the most gripping and memorable versions of the American story in print The two volumes of Bennett's New York Times bestselling epic America The Last Best Hope cover Columbus's discovery of the New World in the fifteenth century to the fall of world communism in the twentieth Now both volumes are available in a convenient and attractive slip case complete with a bonus audio CD Remembering Ronald Reagan featuring recollections and commentary by Jeane Kirkpatrick Edwin Meese and others Bill Bennett brings American history to life with stories such as the coup d'etat quelled by a pair of reading glasses the U S senator nearly caned to death on the Senate floor the presidential pardon for hundreds of Sioux warriors one ex president's race to finish his memoirs and the famous humorist who helped him when Time magazine named Hitler man of the year Eisenhower's bold actions documenting the horrors of the Holocaust Nixon's comic opera uniforms for White House guards Reagan's most famous example of just saying No From heroism of the Revolution to the dire hours of the Civil War from the progressive reforms of the early 1900s to the civil rights reforms of the 1960s from the high drama of the Space Race to the gut wrenching tension of the Cold War

Bennett slices through the cobwebs of time memory and prevailing cynicism to reinvigorate America with an informed patriotism Praise for America The Last Best Hope This is the American history that Abraham Lincoln has long awaited Harry V Jaffa Crisis of the House Divided Bennett has a gift for choosing the pithy revealing anecdote and for providing fresh character sketches and critical analyses of the leading figures This is an American history that adults will find refreshing and enlightening and that younger readers will find a darn good read Michael Barone US News World Report A worthy and necessary book for our time Michael J Lewis Commentary Bennett has a strong sense of narrative a flair for anecdote and a lively style And the American story really is a remarkable one filled with its share of brilliant leaders and tragic mistakes Bennett brings that story to life Alan Wolfe The Washington Post The role of history is to inform inspire and sometimes provoke us which is why Bill Bennett s wonderfully readable book is so important He puts our nation s triumphs along with its lapses into the context of a narrative about the progress of freedom Every now and then it s useful to be reminded that we are a fortunate people blessed with generations of leaders who repeatedly renewed the meaning of America Walter Isaacson Benjamin Franklin An American Life The importance of America The Last Best Hope probably exceeds anything Dr Bennett has ever written and it is more elegantly crafted and eminently readable than any comprehensive work of history I ve read in a very long time It s silly to compare great works of history to great novels but this book truly is a page turner Brad Miner American Compass This lively book acknowledges mistakes and shortcomings yet patriotically asserts that the American experiment in democracy is still a success story School Library Journal

With Good Intentions Celia Haig-Brown, David A. Nock, 2011-11-01 *With Good Intentions* examines the joint efforts of Aboriginal people and individuals of European ancestry to counter injustice in Canada when colonization was at its height from the mid nineteenth to the early twentieth century These people recognized colonial wrongs and worked together in a variety of ways to right them but they could not stem the tide of European based exploitation The book is neither an apologist text nor an attempt to argue that some colonizers were simply well intentioned Almost all those considered here teachers lawyers missionaries activists had as their overall goal the Christianization and civilization of Canada s First Peoples While their sensitivity and willingness to work in concert with Aboriginal people made them stand out from their less sympathetic compatriots they were nonetheless implicated in the colonialist project as the contributors to this volume make clear By discussing examples of Euro Canadians who worked with Aboriginal peoples *With Good Intentions* brings to light some of the lesser known complexities of colonization This volume is an important resource for anyone interested in Canadian history particularly post Confederation history and in Native studies and issues of colonization of Native peoples **The Methodist Review** ,1902

The Last Viking Don Hollway, 2021-09-02 *The Last Viking* is a masterful and pulse pounding narrative that transports the reader into the middle of the action Carl Gnam Military Heritage Harald Sigurdsson burst into history as a teenaged youth in a Viking battle from which he escaped with little more than his life and a thirst for vengeance But from these humble origins he became one of Norway s most

legendary kings The Last Viking is a fast moving narrative account of the life of King Harald Hardrada as he journeyed across the medieval world from the frozen wastelands of the North to the glittering towers of Byzantium and the passions of the Holy Land until his warrior death on the battlefield in England Combining Norse sagas Byzantine accounts Anglo Saxon chronicles and even King Harald s own verse and prose into a single compelling story Don Hollway vividly depicts the violence and spectacle of the late Viking era and delves into the dramatic events that brought an end to almost three centuries of Norse conquest and expansion

Searching for the Last Anglo-Saxon King Paula Lofting,2025-04-28 A reexamination of Harold Godwinson explores his life reign and legacy challenging Norman propaganda and historical myths Harold Godwinson occupied his place in the chronicles for more than twenty years after bursting onto the political sphere when he was barely out of his teens His role in English history has always been overshadowed by his failure to defend his crown and country against the might of William the Conqueror and his invaders His demise at the hands of a Franco Norman hit squad wrought the death knell of Anglo Saxon rule Reigning for just ten months Harold s accomplishments as dux Anglorum and later king of England were undermined by the Norman propaganda that was waged against his memory long after his grisly end in 1066 But just who was this man who some historians recall as one of England s greatest rulers What were his origins Is there any truth that he could trace his ancestry to the House of Wessex and did he really usurp the throne from Duke William the Bastard of Normandy In this re examining of this great historical figure of the eleventh century we glean new theories and ideas not only about Harold s life but also questions historians have pondered upon for years Did Edward really offer the throne to William And how much of William s claim was truth or fiction Paula Lofting presents a thoughtful and careful critique of the previous research Examining his life through a telescopic view of the primary sources she offers the reader a more accurate evaluation of who he was how he died and what happened to his remains after his death on a field near Hastings on October 1066

Sharpe,2009-09-26 On 11 November 1918 the last day of the Great War the Canadian Corps led by Sir Arthur Currie liberated Mons after four years of German occupation The push to Mons in the last days and weeks of the war had cost many lives Long after the war Currie was blamed by many for needlessly wasting those lives When the Port Hope Evening Guide published an editorial in 1927 repeating this charge Currie was incensed Against the advice of his friends he decided to sue for libel and retained W N Tilley Q C the leading lawyer of the day to plead his case First published in 1988 The Last Day the Last Hour reconstructs the events military and legal that led to the trial and the trial itself one of the most sensational courtroom battles in Canadian history involving many prominent legal military and political figures of the 1920s Now back in print with a new preface by the author judge and legal scholar Robert J Sharpe The Last Day the Last Hour remains the definitive account of a landmark legal case

With Notes and a Chronological Summary of His Life, and Index Sir Walter Scott,1872 Tylney Hall Thomas Hood,1835 **Crooked Alleys** Soraya Lennie,2021-12-01 By the end of the Ahmadinejad era Iran was suffocating It was as though the streets of Tehran had become narrower the buildings taller the dirty air thicker In 2013 Iranians chose a new leader representing reform and pragmatism burying the gloomy days when a Holocaust denying president had pushed the country to the edge of economic collapse and violent conflict But the nation hasn't quite broken free This is the story of Iran today told through the eyes of its people Iranians are moving on yet the Islamic Republic remains a prisoner of the past plagued by US sanctions medical shortages and failing planes internal divisions a broken economy and the threat of war Now the Trump years have destroyed Iran's best chances for real change The 2010s marked one of the most significant periods in Iran's modern history Rouhani's election gave voice to millions sick of the hardliner status quo of Iran's pariah status and its reputation in the West as a country of revolutionary extremists But how have Iranians met and lived through the latest challenges What future do they imagine now Crooked Alleys explores Iran during some of its darkest days but also its most hopeful Critic and Literary World Jeannette Leonard Gilder,Joseph Benson Gilder,1891
