Susan Rubin Suleiman

Les Feux Dautomne:

Russian Montparnasse Maria Rubins, 2015-09-29 This book reassesses the role of Russian Montparnasse writers in the articulation of transnational modernism generated by exile Examining their production from a comparative perspective it demonstrates that their response to urban modernity transcended the Russian master narrative and resonated with broader aesthetic trends in interwar Europe

Irène Némirovsky Jonathan M. Weiss, 2007 This short critical biography by an expert on contemporary French literature is a fine introduction to the work of Irene Nemirovsky author of Suite Française who died in Auschwitz in 1942

Lyrics of the Open Mary G. Cherry, 1914

Lecteurs et lectures des communistes d'Aragon Corinne Grenouillet, 2000

The Némirovsky Question Susan Rubin Suleiman, 2016-11-22 A fascinating look into the life and work of controversial French novelist Irène Némirovsky Irène Némirovsky succeeded in creating a brilliant career as a novelist in the 1930s only to have her life cut short a foreign Jew in France she was deported in 1942 and died in Auschwitz But her two young daughters survived and as adults they brought their mother back to life In 2004 Suite Française Némirovsky's posthumous novel became an international best seller some critics however condemned her as a self-hating Jew whose earlier works were rife with anti-Semitic stereotypes Informed by personal interviews with Némirovsky's descendants and others as well as by extensive archival research this wide-ranging intellectual biography situates Némirovsky in the literary and political climate of interwar France and recounts for the first time the postwar lives of her daughters Némirovsky's Jewish works Suleiman argues should be read as explorations of the conflicted identities that shaped the lives of secular Jews in twentieth-century Europe and beyond

The Life of Irene Nemirovsky Olivier Philipponnat, Patrick Lienhardt, 2010-05-04 The first major biography of the author of Suite Française The posthumous publication of Suite Française won Irène Némirovsky international acclaim and brought millions of readers to her work But the story of her own life was no less dramatic and moving than her most powerful fiction With her family she escaped Russia in 1919 and settled in Paris where she met and married fellow Jewish migrant Michel Epstein In 1929 she published her highly acclaimed and controversial novel David Golder the first of many successful books that established her stellar reputation But when France fell to the Nazis her renown did her little good without French citizenship she was forced to seek refuge in a small Burgundy village with her husband and their two young daughters And in July 1942 Némirovsky was arrested and deported to Auschwitz where she died the following month Drawing on Némirovsky's diaries previously untapped archival material and interviews her biographers give us at once an intimate picture of her life and turbulent times and an illuminating examination of the ways in which she used the details of her remarkable life to create some of the greatest most humane and incisive fiction World War II has produced The New York Times Book Review

Paths to Contemporary French Literature John Taylor, 2017-07-05 The first volume of Paths to Contemporary French Literature offered a critical panorama of over fifty French writers and poets With this second volume John Taylor an American writer and critic who has lived in France for the past thirty years continues

this ambitious and critically acclaimed project Praised for his independence curiosity intimate knowledge of European literature and his sharp reader's eye John Taylor is a writer critic who is naturally skeptical of literary fashions overnight reputations and readymade academic categories Charting the paths that have led to the most serious and stimulating contemporary French writing he casts light on several neglected postwar French authors all the while highlighting genuine mentors and invigorating newcomers Some names Patrick Chamoiseau Pascal Quignard Jean Philippe Toussaint Jean Rouaud Francis Ponge Aime Cesaire Marguerite Yourcenar J M G Le Clezio may be familiar to the discriminating and inquisitive American reader but their work is incisively re-evaluated here The book also includes a moving remembrance of Nathalie Sarraute and an evocation of the author's meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English speaking countries Taylor's pioneering elucidations in this respect are particularly valuable This second volume also examines a number of non-French originally non-French speaking writers such as Gherasim Luca Petr Kral Armen Lubin Venus Ghoura Khata Piotr Rawicz as well as Samuel Beckett who chose French as their literary idiom Taylor is in a perfect position to understand their motivations struggles and goals In a day and age when so little is known in English speaking countries about foreign literature and when so little is translated the two volumes of *Paths to Contemporary French Literature* are absorb

David Golder, The Ball, Snow in Autumn, The Courilof Affair Irene Nemirovsky, 2008-12-18 Readers everywhere were introduced to the work of Irene Nemirovsky through the publication of her long lost masterpiece *Suite Fran aise* But *Suite Fran aise* was only the coda to the brief yet remarkably prolific career of this nearly forgotten magnificent novelist Here in one volume are four of Nemirovsky's other novels all of them newly translated by the award winning Sandra Smith and all except DAVID GOLDER available in English for the first time DAVID GOLDER is the novel that established Nemirovsky's reputation in France in 1929 when she was twenty six It is a novel about greed and loneliness the story of a self-made business man once wealthy now suffering a breakdown as he nears the lonely end of his life THE COURILOF AFFAIR tells the story of a Russian revolutionary living out his last days and his recollections of his first infamous assassination Also included are two short gemlike novels THE BALL a pointed exploration of adolescence and the obsession with status among the bourgeoisie and SNOW IN AUTUMN an evocative tale of White Russian migrants in Paris after the Russian Revolution Introduced by celebrated novelist Claire Messud this collection of four spellbinding novels offers the same storytelling mastery powerful clarity of language and empathic grasp of human behavior that would give shape to *Suite Fran aise*

Before Auschwitz Angela Kershaw, 2009-09-10 This book analyses Irene Nemirovsky's literary production in its relationship to the literary and cultural context of the inter-war period in France It examines topics of central importance to our understanding of the literary field in France in the period such as the close relationship between politics and literature the historical political cultural and personal legacies of the First World War the so-called crisis of the novel and the attempt to create and develop

new narrative forms the phenomenon of Russian emigration to Paris in the wake of the Russian Revolution and Civil War the possibilities for the creation of a French Jewish identity and mode of writing and the threat of fascism and the approach of the Second World War
