Maxim Gunn The Stolen Waters:

Maxim Gunn the Stolen Waters Nicholas Boving,2012-10-23 Was the really such a place as Atlantis And was there a super race ahead of its time or something so different we wouldn t want to know Is the legend of the Maera a myth or a memory Existing in isolation for thousands of years beneath the ocean until a submarine earthquake destroys their bio dome a few survivors who call themselves Cleitans have lived undetected off the west coast of Scotland And now the time has come when they have decided on a mission of revenge against the Dry Landers whom they blame for the Great Catastrophe What started as a quiet fishing holiday quickly turns into an action packed race against time when local women are kidnapped and Gunn and Sergeant Earthquake Magoon make a desperate attempt to rescue them before the demands of a hard line Cleitan core of are made public and a video of one of the women being tortured is sent to the media And then it really gets ugly when Gunn discovers that years before Cleitans had salvaged a nuclear warhead from a Russian submarine sunk by an accident during the Cold War And what was a race against time to rescue the women becomes a race to save thousands and Britain s nuclear submarine base The kidnappings blackmail and desperate urgency keep Gunn and Magoon fighting to stop carnage and the world will never know how close the Cleitans came to success **The History of Loot and Stolen Art** Ivan

Lindsay,2014-06-02 The author of this enthralling book aims to present a well illustrated and documented alternative history of the Western World through graphic accounts of looting and art theft from the time of Sargon ruler of Syria in 721 BC to the present day Almost all the principal players included appear on the stage of World history and many of them are known as conquerors confiscators the old fashioned word for looters and ruthless administrators of the regions they created as a result of their conquests Featured here are emperors kings queens popes adventurers explorers and those whose energies and expertise supported the greed and acquisitive ambitions of their masters The different motivation of the greatest looters in history is a recurrent theme which is examined throughout The Century Illustrated Monthly Magazine ,1909

Sherlock Holmes and the Crystal Palace Murder Johanna Rieke,2022-07-07 Why Meiringen Sherlock Holmes readers have always asked why did Holmes go to Meiringen And did Moriarty follow him there And if Holmes did not die in the Falls what happened next The familiar stories tell us little For the first time this book gives us the answers we always wanted Johanna Rieke s careful and detailed research and understanding of the region show what really happened and how Holmes escaped to reappear three years later in London If Moriarty is now dead however his evil work goes on In London Holmes and Watson drawn into an apparently meaningless murder in the Crystal Palace in South London soon recognise that much more is at stake How are a greengrocer s shop a dockyard pub in East London a tattooed seaman and a mysterious German all involved and who is Moriarty s shadowy successor Only Holmes and Watson in a desperate search and by sharp deduction can hope at the last moment to foil a disaster Can they prevent many innocent deaths and protect Britain s standing in the world Even as the story ends they know that their fight against evil will go on and that Moriarty s successors are always alert

a constant threat As this exciting book makes clear Holmes task never ends Scribner's Monthly, an Illustrated Magazine
