

# The Narcotics Anonymous Step Working Guide

This is NA Fellowship-approved literature

"Copyright ~ 1998, World Service Office, Inc. Reprinted by permission. All rights reserved."

## Preface

The idea for this piece of literature came from the Narcotics Anonymous Fellowship itself. Beginning in the early 1980s, we began receiving Twelve Step guides and step worksheets along with requests that we develop a standard set of guides for the NA Fellowship to use in working through the Twelve Steps. Fellowship demand propelled this project up the NA World Service Conference Literature Committee's priority wordlists, and finally resulted in the World Service Conference directing the WSCLC to go ahead with the project at WSC'95.

The working title for this project for many years was the "Step Writing Guides." However, we recognized that the word "writing" imposed a limitation on members who may be unable to write or may choose not to use writing as the means for working the Twelve Steps. Therefore, the title became the *Step Working Guides*.

Each chapter includes both narrative and questions. The narrative is meant to provoke thought about the questions, but is not meant to be comprehensive. There is a difference in "voice" between the narrative and the questions. The narrative is written in the "we" voice in order to promote unity about what we all have in common: our addiction and recovery. The questions are written in the individual "I" voice so that each member using these guides can personalize the work. The *Step Working Guides* is a companion piece to *It Works: How and Why*. Thorough discussion of each of the Twelve Steps is contained in that work. Additional information about NA recovery can be found in other NA literature. If we find that any of the terms used in this book are

## Na Step Working Guide Questions:

The NA Step Working Guides Fellowship of Narcotics Anonymous, Narcotics Anonymous Fellowship of Narcotics Anonymous, Basic recovery text for addicts that explains NA's principles and includes members' personal experiences finding NA and living clean **Sponsorship** Fellowship of Narcotics Anonymous, *Drug Court Publications Resource Guide* Jeffrey Tauber, 2000 *Drug Court Publications Resource Guide*, 2000 **Gangsters Anonymous 12 Step Workbook** Gangsters Anonymous Fellowship Approved, **100 Questions & Answers About Your Child's Substance Abuse** Romulo Aromin, 2010-11-11 100 Questions Answers About Your Child's Substance Abuse provides clear straightforward answers to the most commonly asked questions about a child's substance abuse Written for parents and caregivers as well as pediatricians and inpatient and outpatient treatment facility workers this easy to read guide is an essential quick reference for anyone dealing with childhood substance abuse Topics include risk factors alcohol abuse steroid use drug abuse assessment and diagnosis and treatment Twelve Jewish Steps to Recovery Kerry M. Olitzky, Stuart Copans, 1991 By presenting a Jewish perspective on The Twelve Steps and offering consolation inspiration and motivation towards recovery this guide explains how the Twelve Steps of Alcoholics Anonymous are relevant for Jewish people as well as Christians Afterword on Where to Go for Help by The JACS Foundation Jewish Alcoholics Chemically Dependent Persons and Significant Others Illustrations by Maty Grunberg **Twelve Jewish Steps to Recovery (2nd Edition)** Dr. Stuart A. Copans, MD, Kerry M. Olitzky, 2012-12-15 This book is not just for Jewish people It's for all people who would gain insight and strength to heal from Jewish tradition All people who are in trouble with alcohol drugs or other addictions food gambling and sex Anyone seeking an understanding of the Twelve Steps from a Jewish perspective regardless of religious background or affiliation Alcoholics and addicts in recovery Codependents Adult children of alcoholics Specialists in recovery and treatment An updated and expanded edition of a recovery classic A rabbi a psychiatrist and many recovering Jewish people share their understanding of the Twelve Jewish Steps of recovery from addiction of all kinds based on conversations with each other and with God They present a Jewish perspective on the Twelve Steps and offer consolation inspiration and motivation for recovery for people of all faiths and backgrounds by drawing on traditional and contemporary Jewish sources and by sharing what recovering people say about their experiences They explore why some Jews are uncomfortable with the Twelve Steps as well as how the Jewish understanding of the Twelve Steps differs from the Christian understanding of it **A Sponsorship Guide for 12-Step Programs** M. T., 2025-06-25 A Sponsorship Guide for 12 Step Programs offers the reader far ranging suggestions based on concrete experience for the most common issues and dilemmas that arise when one agrees to become a sponsor in any 12 step program Seventeen sponsors with collective recovery time of over 250 years share their experience and insights as they describe common situations sponsors face and relate the solutions they used This is the first book of its kind for sponsors by sponsors Divided into three main sections Sponsorship Basics Working the Steps with a Sponsee and

Common issues that Come Up this book will be of use to anyone who has agreed to be a sponsor or anyone who does not have access to a sponsor A Sponsorship Guide is like having a sponsor in a book      **Handbook Of Child And Adolescent Outpatient, Day Treatment A** Harinder S. Ghuman,Richard M. Sarles,2013-06-17 In the past few years there has been a major shift in the mental health care of child and adolescents from inpatient care to non hospital community ambulatory settings Economic pressures have primarily driven this change in service delivery Insurance companies and managed care organizations have not only restricted access to hospitalization and limited length of stays but additionally have sharply reduced reimbursements for treatments State and federal policies for inpatient treatment and reimbursement have followed similar trends As a result mental health planners have attempted to develop programs to deal with this trend of restricted inpatient care shifting treatment of children and adolescents to home and community settings Some of these new programs are well planned and others are hastily planned and implemented The pitfall to this community approach is that there is a population of chronically disturbed children and adolescents and highly stressed parents often lacking adequate personal and family resource who may not respond to these new less restrictive less costly community approaches which potentially may lead to an unsafe and dangerous situation for the child adolescent family and the community With this in mind the purpose of this book is to provide comprehensive and up to date information regarding child and adolescent outpatient day treatment and community psychiatry The emphasis of this book is to provide practical knowledge through clinical case illustrations and to explain various strategies in a detailed fashion      **A Practical Guide to Integrating Technology into Task-Based Language Teaching** Marta González-Lloret,2015-12-22 However exciting new technologies and educational tools may seem they can become solely for entertainment unless their design use and evaluation are guided by principles of education and language development Task based Language Teaching TBLT provides an excellent approach for teachers who want to realize the potential of technology to engage learners and improve language learning inside and outside the classroom This practical guide shows teachers how to successfully incorporate technology into TBLT in the classroom and to develop technology mediated materials Whether the goal is to conduct a needs analysis to develop classroom or homework materials or to implement a new approach of student assessment A Practical Guide to Integrating Technology into Task Based Language Teaching will be a welcome resource for language teachers at all levels Designed for use in the classroom as well as for independent study the book includes reflective questions activities and further reading at the end of each chapter Examples of units in Chinese Spanish ESL and the hospitality industry are provided Georgetown Digital Shorts longer than an article shorter than a book deliver timely works of peer reviewed scholarship for a fast paced world They present new ideas and original content that are easily digestible for students scholars and general readers      **Review Course in Adolescent Psychiatry, January 30-February 2, 1992 Sheraton Grand on Harbor Island ,1992      Planning National Telemedicine and Health Hotline Services** World Bank,2023-04-07 For many low and middle income countries digital

health solutions are the best way to increase community access to health information and health care This became even more apparent during the coronavirus pandemic when countries with low health care worker to population ratios and large populations that do not live close to a health center needed better ways for their citizens to access health services In many countries telemedicine and health hotline services have played an important role in filling access gaps which can present private sector providers with opportunities for growth When the private sector and government work together it can lead to major advances in health services that reach more communities However just because a solution is impactful does not mean it will be sustainable To ensure any solution sustains impact at scale it is important for the government to lead it from the beginning and eventually regulate and perhaps own the solution even if it outsources all or parts of it to service providers This toolkit is designed for software or call center service providers interested in working with government to establish nationwide telemedicine or health hotline services

**Minnesota Journal of Education** ,1952      *Publications of the National Institute of Standards and Technology ... Catalog* National Institute of Standards and Technology (U.S.),1991

*Learning the Language of Addiction Counseling* Geri Miller,2010-12-17 Comprehensive and current *Learning the Language of Addiction Counseling Third Edition* introduces students to the field of addiction counseling and helps them develop the knowledge understanding and skills needed to counsel people who are caught in the destructive cycle of addiction Drawing from her years of experience working in the addiction counseling field Geri Miller provides a balanced overview of the major theoretical underpinnings and clinical practices in the field covering all of the essentials from assessment and diagnosis of addiction to preparing for certification and licensure as an addiction professional Fully revised and expanded the Third Edition offers a positive practice oriented counseling framework and features Revised chapters reflecting important changes in the field New chapters on Spirituality and Addiction Counseling and Pain and Substance Abuse New case studies interactive exercises and suggested reading and resources at the end of each chapter Personal Reflections sections in each chapter illustrating the author s evolving views of addiction counseling New online Instructor s Manual containing PowerPoint slides test bank questions and syllabi      *Resources in Education* ,1997-07      **vaules education ,      Monthly Catalogue, United States Public Documents** ,1994
