Rebuilding New Orleans Sarah Fouts, 2025-06-24 In the aftermath of Hurricane Katrina, Central American and Mexican immigrants arrived in New Orleans to help clean up and rebuild. When federal relief services overlooked the needs of immigrant-led construction and cleanup crews as part of post-Katrina mass feeding strategies, street food stands and taco trucks stepped in to ensure food security for these workers. Many of these food vendors settled in the city over the next decade, opening restaurants and other businesses. Yet in a city experiencing whitewashed redevelopment, new immigrants were frequently pitted against Black poor and working-class New Orleanians for access to housing and other resources. During Fouts's five years as a volunteer with the New Orleans Workers Center for Racial Justice, she came to know and interview the day laborers, food workers, culture producers, and community organizers whose stories shape this book. Her work reveals how, after the storm, immigrant communities have culturally and politically reshaped New Orleans and its suburbs. Fouts also highlights how immigrants forged multiracial solidarities to foster inclusive change at the local level. By connecting migration, labor, and food, *Rebuilding New Orleans* centers human experiences to illustrate how immigrant and established communities of color resisted criminalization and racial capitalism to create a more just New Orleans. **The**

Ancient History of the Egyptians, Carthaginians, Assyrians, Babylonians, Medes and Persians, Grecians and Macedonians Charles Rollin, James Bell, 1853 *The ancient history of the Egyptians, Carthaginians [&c.]. Transl. 1 vol. [in 2].* Charles Rollin, 1881 *The Latino Big Bang in California* David E. Hayes-Bautista, Cynthia L. Chamberlin, Gray Bryan Paul, 2025-04-29 *The Latino Big Bang in California* presents a Spanish transcription and English translation of a diary written by Forty Niner Justo Veytia, a Mexican immigrant seeking riches during California's Gold Rush. Veytia's diary offers insights into the dilemmas and choices of an adventurous and ambitious young mexicano and provides a detailed glimpse into the life of Latinos who participated in this tumultuous moment in California history. In doing so, Veytia's diary demonstrates that the US-Mexico War, together with the Gold Rush, constituted a Latino big bang in California that attracted large swaths of fortune seekers from across the Spanish-speaking world throughout the latter half of the nineteenth century. Combining archival research with quantitative methods to extrapolate demographic information about the persistent presence of Latino communities in California from the mid-nineteenth century to today, *The Latino Big Bang in California* shows how Latino migration and labor forever changed the course of California history.
