Emma Knows All English Edition:

Moral Thought Outside Moral Theory Craig Taylor, 2023-10-27 This book argues there can be no theory of ethics and that any attempt at such a theory ends up distorting the moral phenomena that it is supposed to explain It presents clear examples of moral thought outside moral theorising through literature and Wittgenstein's later philosophy. The book's precise target is moral theory understood as a theory of right action The author begins by arguing against the assumption central to moral theory that moral judgments are universalizable that what it is right for one agent to do in a given situation is what is right for any agent in that same situation Rather moral judgements are essentially first personal The author's specific contention here is that our understanding of moral thought in literature provides grounds for rejecting the assumption that moral judgements are universalizable. The author then goes on to argue that there is some determinate and objective content to ethics connected to recognising another human being as a limit to our will He presents several literary examples that have influenced his thinking about the nature of moral value He combines these readings with insights from Wittgenstein's later writings to demonstrate the ways in which moral theorising fails to capture important aspects of moral thought Moral Thought Outside Moral Theory will be of interest to scholars and advanced students working in ethics and moral theory literature and philosophy and Wittgenstein Burton's Amateur Actor, 1876 **School of Ladies - The Debutantes** Ennie Smith, 2018-01-01 Six girls and a ball where they can sparkle and shine like princesses A story of a seventeen year old girl named Emma Derkin and five other girls who just like every young girl back then wanted to find the best possible husband at the debutante ball The events unfold during the Victorian era in a girls school dormitory. We are privy to follow the girls as they painstakingly prepare for the ball as well as to watch the relationships that are formed between the girls And of course the main event the coming out ball for which everyone has been getting ready But love is unpredictable and fate never fashions things the way we imagine it This book is not just meant primarily for young girls and fans of Jane Austen The Brightest Place in the World David Philip novels but the topic is equally enjoyable for every adult woman Mullins, 2020-06-03 Winner of the 2021 Nebraska Book Award for Fiction Inspired by true events The Brightest Place in the World traces the lives of four characters haunted by an industrial disaster On an ordinary sunny morning in 2012 a series of explosions level a chemical plant on the outskirts of Las Vegas The shock waves are felt as far away as Fremont Street Homes and businesses suffer broken windows and caved in roofs Hundreds are injured and eight employees of the plant are unaccounted for presumed dead One of the missing is maintenance technician Andrew Huntley a husband and father who is an orbital force in the novel as those who loved him grapple with his loss Andrew's best friend Russell Martin an anxiety plagued bartender who calms his nerves with a steady inflow of weed misses him more than he might a brother Meanwhile Emma Russell's wife a blackjack dealer at a downtown casino tries to keep her years long affair with Andrew hidden Simon Addison a manager at the plant who could have saved Andrew's life is afflicted by daily remorse combined with a debilitating

That Was Then M.K. Tod, 2024-06-11 A page turning tale filled with rich characters family secrets love politics ambition and risky journalistic pursuits Lisa Barr New York Times bestselling author of Woman on Fire Andrea Larson never imagined she would have to face her worst nightmare again But when she discovers that her rapist is running for Governor of Massachusetts she knows she can t stay silent With the help of her identical twin Andrea hatches a plan to take down Brad Greiner and expose his true nature to the world Set against the backdrop of the cutthroat world of politics That Was Then follows Andrea as she infiltrates Greiner s inner circle using her skills as a journalist to gather evidence against him But the closer she gets the more dangerous it becomes The stakes get even higher when a group intent on controlling American democracy gets involved Someone knows what the twins are up to And they re closing in The Memoirs of Jean Laffite Jean Laffite, 2000-04-10 Jean Laffite was born in Santo Domingo and raised by a Spanish Jewish grandmother who instilled in him a hatred for the Spanish Crown and those who served it Later this hatred grew to include the British Following in the footsteps of his eldest brother Alexandre Jean and his brother Pierre became privateers for France under the command of their uncle Rene Beluchai Laffite describes in detail the capture of a Spanish ship and its crews fate After a period of seizing enemy vessels the two brothers go to France to join Napoleons armies Instead they find themselves in enemy prisons and upon release they return to the Caribbean where they resume depredations against Spanish and British ships The slave uprising in Haiti sends the brothers to the safety of Louisiana where they establish Barataria as a smuggling center into New Orleans and up river Jean and Louisiana governor Clairborne become enemies who mutually post rewards on the others head Only the arrival of the British offering a pardon and a bribe to Laffite breaks the impasse between the Baratarians and the Americans Laffites aid to General Andrew Jackson is well known and is the basis of his place in American history After the victory Jean received a pardon but no indemnification for his financial losses during the war years Fruitless trips to Washington confirmed to Laffite the necessity of resuming old habits and he established a new privateer settlement in

Spanish territory on Galveston Island A hurricanes destruction and a changing world backed by the power of the U S Navy led to the second dissolution of the Laffite enterprise Jean and the last of his men quit Galveston settlement as it flamed lighted by their own hands Freelance plundering became more and more dangerous until Jean and Pierre decided to call it quits and spread the rumor of their violent demise and burial on the Yucatan coast The brothers split their swag buried some and went their separate ways Jean who had lost a young wife during the birth of their third child found a young wife in Charleston South Carolina They began his second family in Philadelphia before moving to St Louis Missouri to end their years Jean Laffite maintained his anonymity but worked behind the scenes for causes he held dear The former slaver became an abolitionist under the influence of his new wife and after a visit to Europe in 1847 he even became a socialist supporter of the young Karl Marx He saw himself as a benefactor of mankind but even at the end of his memoirs he did not forget to proclaim Down with the British dragon
