Places for Dead Bodies Gary J. Hausladen, 2010-01-01 From Tony Hillerman's Navajo Southwest to Martin Cruz Smith's Moscow an exotic vividly described locale is one of the great pleasures of many murder mysteries Indeed the sense of place no less than the compelling character of the detective is often what keeps authors writing and readers reading a particular series of mystery novels This book investigates how police procedural murder mysteries have been used to convey a sense of place Gary Hausladen delves into the work of more than thirty authors including Tony Hillerman Martin Cruz Smith James Lee Burke David Lindsey P D James and many others Arranging the authors by their region of choice he discusses police procedurals set in America the United Kingdom and Ireland Europe Moscow Asia and selected locales in other parts of the world as well as in historical places ranging from the Roman Empire to turn of the century Cairo **Revisiting John**

Grisham Mary Beth Pringle, 2007-05-30 John Grisham is one of the most prolific and beloved mystery writers today still reaching the top of the bestseller lists with books like *The Testament* 1999 and *King of Torts* 2003 In recent times he has also experimented with different genres such as *A Painted House* 2001 a semi autobiographical work and *Skipping Christmas* 2001 a holiday narrative This volume follows up the critical analysis of Grisham's work in *John Grisham A Critical Companion* examining his writing from 1997 to the present **Go Southwest, Old Man** Mario Materassi, 2009

Go Southwest Old Man a sort of personal remake of *Go West Young Man* the founding episteme of the American nineteenth century conciliates these two souls well not to be pretentious let's simply say two sides that have actually always lived in harmony This is a book generated by a quarter of a century spent wandering around the canyons and deserts of Arizona Colorado Utah and above all New Mexico with a view to penetrating the by now universal legend of the West approaching the cultures English Hispanic and native American and mastering the literature The slant is composite melding the scholarly with the informative and the travel journal and the writing is composite too because the book speaks English and Italian It talks about cinema lots of John Ford and about detective stories the most popular genre here about visual arts and Latino folklore about the legend of the West the so called Soul of the Southwest and the kitsch style of Santa Fe And it talks about and with some of the greatest writers that the Southwest has spawned Rudolfo Anaya Stanley Crawford John Nichols and Hillerman So what we have is a first hand experience of the Southwest where the ego is not entrenched within a precise disciplinary role but opens up and exposes itself to the thrilling risk of the discovery that can renew it *The King's English* Pb Betsy Burton, 2006-08-09 Betsy Burton one of the owners of The King's English Bookshop in Salt Lake City Utah shares anecdotes from throughout the history of the store discussing employees author visits and the joys and challenges of running an independent bookstore and

including reading lists in a range of subject areas *Children of Reunion* Allison Varzally, 2017-02-01 In 1961 the U S government established the first formalized provisions for intercountry adoption just as it was expanding America's involvement with Vietnam Adoption became an increasingly important portal of entry into American society for Vietnamese and Amerasian children raising questions about the United States obligations to refugees and the nature of the family during an era of heightened anxiety about U S global interventions Whether adopting or favoring the migration of multiracial individuals Americans believed their norms and material comforts would salve the wounds of a divisive war However Vietnamese migrants challenged these efforts of reconciliation As Allison Varzally details in this book a desire to redeem defeat in Vietnam faith in the nuclear family and commitment to capitalism guided American efforts on behalf of Vietnamese youths By tracing the stories of Vietnamese migrants however Varzally reveals that while many had accepted separations as a painful strategy for survival in the midst of war most sought and some eventually found reunion with their kin This book makes clear the role of adult adoptees in Vietnamese and American debates about the forms privileges and duties of families and places Vietnamese children at the center of American and Vietnamese efforts to assign responsibility and find peace in the aftermath of conflict **The Armchair Detective** , 1997
