Ash comes Finding Prince Charming a secret baby romance As a little girl I dreamed of finding my own Prince Charming just like in the story my mom used to read to me But as a woman who grew up living a life that was anything but a fairy tale I never expected it to happen to me and certainly not in the bordello I worked at in Las Vegas When our eyes locked I knew in another life Liam could easily be my Prince Charming but in my world those kind of men didn't exist He was determined to prove me wrong though and in one weekend he not only showed me the world in a different light but made me feel like a princess before he disappeared without a trace After he walked away I was determined to write my own happy ending turns out the first chapter was becoming a single mom Because that handsome prince He left me the most exquisite crown jewel who's now my entire world And while I might've given up on finding my Prince Charming I'll make sure my daughter has the fairy tale life I never did Please note If you purchased Knocked Up a Secret Baby Anthology you have purchased this story

Cinderella's Secret Angela S. Sullivan, 2009-08-06 There comes a time in every child's life when they are expected to

grow up and put away their childish fantasies and beliefs By the time children enter formal school they are discouraged from using their imagination or believing in magic and miracles The fairytales they once believed in are replaced with math and science No longer are they encouraged to believe in Santa Clause or the Easter bunny In teaching children that imagination and fantasy are childish activities that we must outgrow we have created a people who find it difficult to have the kind of faith that moves mountains and allows one to walk on water We find it difficult to understand that our realities are created within our own imagination and attitudes Cinderella s Secret takes a look at some of the valuable life lessons that are contained in simple childish fairytales in hopes of helping adults rekindle their passion for finding happily ever after
