Finding My Way Duncan Brown, 2023-12-01 This book reflects on South African literature from the perspective of 2020 It emerges from Duncan Brown's experiences of three decades of working in this field of writing and scholarship It is a personal intellectual exploration and an engagement with the institutional history of literary studies in South Africa and elsewhere Finding My Way also attempts to find more creative engaging and intriguing modes of writing about literature and the humanities universally It seeks to recover a sense of the imaginative the literary and the affective not only as things to value in the literary texts we read but also as ways of understanding and reading texts as ways of writing criticism of registering how books make us feel as well as how they make us think Print edition not for sale in Sub Saharan Africa

Finding My Way Home Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime

Finding My Way Home John Houston, 2021-04-20 After many years of searching John Houston found his way home his true home Now he wants to help you do the same John Houston has spent the past sixteen years building for others what he didn't always have for himself growing up a family home Today John is one of the premier custom home builders in Texas Throughout the Dallas Fort Worth area you see signs proudly presenting John Houston Custom Homes that paint a picture of the kind of home life John would have done anything to have as a child From a young age home was not a place where John wanted to be After his parents divorced and his mother moved out his father remarried and moved in with his new family John and his older brother struggled to adjust and began living by themselves with little to no adult supervision at the ages of 11 and 15 They helped support themselves financially by working long hours running a lawncare business before and after school The years that followed were challenging but also marked by God's protection even when John didn't realize it as he overcame hardships that could have permanently derailed his life He

met and married the woman of his dreams completed his education and became a respected and successful business owner And he isn't confused for one second about who's ultimately responsible for his success God In Finding My Way Home John Houston reflects on a life of trials hardships and painful mistakes through the lens of gratitude for God's enduring faithfulness He explains God created a story with my life that puts a spotlight on His mercy and grace a story of my anger and His forgiveness of the broken family I grew up in and His restoration of my demanding leadership as a husband and father and His model for me to lead with love

Finding Your Way Phillip G. Camp, 2009-01-12 Your time in seminary can be a period of great blessing and adventure on the one hand but also a time of great confusion and doubt on the other How do you navigate the challenges questions and even frustrations of seminary life Am you the only one who is confused in your classes or struggling with what you believe What does all this theological stuff have to do with serving Christ Finding Your Way was written to help you with these questions and perhaps with others that you didn't even know you had This little book will help you see that seminary education is not a hoop to jump through or a burden to bear on the way to real ministry Rather your theological education is an important part of your vocation and spiritual formation now and for your future service To this end this book serves as a guide to the ins and outs of seminary life to fostering a loving relationship with the church and to developing spiritual habits that will bless you throughout your ministry

Can't Find My Way Home Martin Torgoff, 2004-05-13 Can't Find My Way Home is a history of illicit drug use in America in the second half of the twentieth century and a personal journey through the drug experience It's the remarkable story of how America got high the epic tale of how the American Century transformed into the Great Stoned Age Martin Torgoff begins with the avant garde worlds of bebop jazz and the emerging Beat writers who embraced the consciousness altering properties of marijuana and other underground drugs These musicians and writers midwived the age of marijuana in the 1960s even as Timothy Leary and Richard Alpert later Ram Dass discovered the power of LSD ushering in the psychedelic era While President John Kennedy proclaimed a New Frontier and NASA journeyed to the moon millions of young Americans began discovering their own new frontiers on a voyage to inner space What had been the province of a fringe avant garde only a decade earlier became a mass movement that affected and altered mainstream America And so America sped through the century dropping acid and eating magic mushrooms at home shooting heroin and ingesting amphetamines in Vietnam snorting cocaine in the disco era smoking crack cocaine in the devastated inner cities of the 1980s discovering MDMA Ecstasy in the rave culture of the 1990s Can't Find My Way Home tells this extraordinary story by weaving together first person accounts and historical background into a narrative vast in scope yet rich in intimate detail Among those who describe their experiments with consciousness are Allen Ginsberg Timothy Leary Robert Stone Wavy Gravy Grace Slick Oliver Stone Peter Coyote David Crosby and many others from Haight Ashbury to Studio 54 to housing projects and rave warehouses But Can't Find My Way Home does not neglect the recovery movement the war on drugs and the ongoing debate over drug policy And even as Martin Torgoff tells

the story of his own addiction and recovery he neither romanticizes nor demonizes drugs If he finds them less dangerous than the moral crusaders say they are he also finds them less benign than advocates insist Illegal drugs changed the cultural landscape of America and they continue to shape our country with enormous consequences This ambitious fascinating book is the story of how that happened **Finding My Way Home** Sara Bennett Brodzinski,2022-08-30 Finding My Way Home shares personal testimonies of hardship and triumph that will remind you that you are not alone In a world that can leave you feeling hopeless you will discover the answer to the void that lives inside each of us The empty space that can only be filled with one thing Jesus Come on this journey with others and experience the joy this author found while learning to praise in the storms of life Hear about a relentless God who longs to call you His A God who wants to join you as you find your way home
