QUESTION OF THE DAY: What percentage of students receive scholarships or grants for college?

Answer question #3 in the space below. Then, open the link to the slides and compare your answer to the answer on the second slide. Finally, answer the follow-up questions (2, 3, 4 & 5) below.

1. What percentage of students receive scholarships or grants for college?

63%

Select the link above to check the answer - then answer those questions.

2. Would you choose a college just based on how many scholarships or how much grant aid you receive from them? Why or why not?

Yes because I would like my college to be as cheap as possible.

3. Aside from the percentage of students receiving scholarship or grant aid, what else would you want to know when researching colleges?

How to write the essay.

4. How are scholarships and grants different from loans?

Loans have to get repaid.

INFOGRAPHIC: The Financial Aid Process

You've submitted your FAFSA, received your SAR, and are now waiting to hear back about what types of aid you may receive. In this lesson, we will focus specifically on scholarships and grants. Take a moment to review this slide. Then, answer the question.

1. Use the information from the slide to explain why you should accept scholarships and grants before other types of financial aid (like student loans).

You should accept scholarships and grants before any type of financial aid because its free and you don't have to pay it back.

VIDEO: How to Save on Tuition

Now that you know accepting scholarships and grants should be your first priority, you can also benefit from learning about other ways to reduce the amount of tuition you'll have to pay back. Watch this video to learn about other ways to save on tuition and where you can find scholarships.
