Fire Officer International Association of Fire Chiefs, National Fire Protection Association, 2010

The National Fire Protection Association (NFPA) and The International Association of Fire Chiefs (IAFC) are pleased to bring you the Second Edition of *Fire Officer Principles and Practice*, a modern integrated teaching and learning system. For The Fire Officer I and II levels, Fire officers need to know how to make the transition from fire fighter to leader. *Fire Officer Principles and Practice*, Second Edition, is designed to help fire fighters make a smooth transition to fire officer. Covering the entire scope of NFPA 1021 Standard for Fire Officer Professional Qualifications, 2009 Edition, *Fire Officer* combines current content with dynamic features and interactive technology to better support instructors and help prepare future fire officers for any situation that may arise.

Safety is Principle. The Second Edition features a laser like focus on fire fighter safety. Reducing fire fighter injuries and deaths requires the dedicated efforts of every fire fighter, fire officer, fire department, and the entire fire community working together. It is with this goal in mind that we have integrated the 16 Firefighter Life Safety Initiatives developed by the National Fallen Firefighters Foundation into the text. Likewise, in each of the chapters, actual National Fire Fighter Near Miss Reporting System cases are discussed to drive home safety. And the lessons learned from those incidents. Some of the guiding principles added to the new edition include:

- Description of the Everybody Goes Home.
- The National Fire Fighter Near Miss Reporting System, including over a dozen company officer near miss examples throughout the text.
- Description of the IAFC IAFF Firefighter Safety and Deployment Study.
- The latest fire fighter death and injury issues as reported by the NFPA National Fallen Firefighters Foundation.
- IAFC and IAFF including results of a thirty year retrospective study.
- Changes in fire ground accountability and rapid intervention practices.
- Results of National Institute of Standards and Technology research on wind driven fires, thermal imaging cameras, and fire dynamics as related to fire fighter survival.
- The latest developments in crew resource management.

The Second Edition also reflects the latest developments in Building a personal development plan through education, training, self development, and experience, including a description of the Fire and Emergency Services Higher Education (FESHE) program. The impact of blogs, video sharing, and social networks. How to

budget for a grant Changes in the National Response Framework and National Incident Management System Additional items related to fire fighter safety and health are included Click here to view a sample chapter from Fire Officer Principles and Practice Second Edition [Norman Hall's Firefighter Exam Preparation Book](#) Norman Hall,2004-01-01 Guaranteed Top Scores on Your Firefighter s Exam Want to be a firefighter Do you know what is involved in taking the exam Don t take a chance at failing a test you could ace learn from the expert Norman Hall For more than a decade Norman Hall s Firefighter Exam Preparation Book has been the 1 test preparation book for prospective firefighters Back by popular demand Norman Hall has completely updated and revised this hugely successful book for this second edition presenting new tips and time tested methods for attaining the highest scores Practice your skills using features such as tips on how to pass the physical requirements practice exams with answer keys memory aids to help you master the recall test tables for self scoring insights on what a career in firefighting entails and a discussion of the final interview Use Norman Hall s Firefighter Exam Preparation Book 2nd Edition to study hard and score at the top **Exam Prep: Fire Officer III and IV** Ben Hirst Performance Training Systems,2006-09 Exam Prep Fire Officer III IV is designed to prepare you to sit for a Fire Officer III IV certification promotion or training examination by including the same type of multiple choice questions you are likely to encounter The manual follows the Systematic Approach to Examination Preparation developed by Performance Training Systems Inc to help improve examination scores The practice examinations were written by fire and emergency service personnel and the content was validated through current reference materials and technical review committees Your exam performance will improve after using this system
