Firewall Kurt Wallander:

Firewall Henning Mankell, 2018-09-01 An international bestseller Murder becomes a high tech game of cat and mouse in this thinking man's thriller from the master of Nordic noir The New York Times Book Review Ystad Sweden A man stops at an ATM during his evening walk and inexplicably falls to the ground dead Two teenage girls brutally murder a taxi driver They are quickly apprehended shocking local policemen with their complete lack of remorse A few days later a blackout cuts power to a large swath of the country When a serviceman arrives at the malfunctioning power substation he makes a grisly discovery Inspector Kurt Wallander senses these events must be linked but he has to figure out how and why The search for answers eventually leads him dangerously close to a group of anarchic terrorists who hide in the shadows of cyberspace Somehow these criminals always seem to know the police department's next move How can a small group of detectives unravel a plot designed to wreak havoc on a worldwide scale And will they solve the riddle before it's too late A riveting police procedural about our increasing vulnerability in the modern digitized world Firewall proves once again that spending time with a glum police inspector in chilly Sweden can be quite thrilling A notable success Publishers Weekly **The Time of the City** Michael Shapiro, 2010-06-17 Engaging with critical theory poststructuralist perspectives cultural studies film theory and urban studies the book provides stunning insights into the micropolitics of ethnicity identity security subjectivity and sovereignty **Depths** Henning Mankell, 2010-05-28 Internationally acclaimed and bestselling author Henning Mankell will be published for the first time in Canada by Knopf Canada with Depths October 1914 the destroyer Svea emerged from the Stockholm archipelago bearing south southeast On board was Lars Tobiasson Svartman a naval engineer charged with making depth soundings to find a navigable channel for the Swedish navy As a child Tobiasson Svartman was fascinated by measurement nothing is as magical as exact knowledge His instinct for his profession is reflected in the comfortable domesticity he enjoys with his wife herself meticulous in every detail Close to the waters where soundings are taken Tobiasson Svartman alights on a barren skerry presumed uninhabited and is surprised to discover there a young woman Sara Fredrika Despite her almost feral appearance something about her strikes him to the core The mission is a success and the Svea returns to Gothenburg Tobiasson Svartman however remains haunted by this chance encounter his equilibrium has been disturbed and he is now compelled to find any pretence to return to the remote islet In Depths Mankell confirms his status as a writer deserving acclaim beyond the crime genre By delving deep into the male psyche he has produced a novel as tense and compelling in every way as the Wallander series but also powerful moving and ultimately tragic *Kennedy's Brain* Henning Mankell, 2010-04-30 An original and breathtaking thriller surrounding one of the most important issues of our time from internationally acclaimed and bestselling author Henning Mankell When archaeologist Louise Cantor's son Henrik is found dead in his flat she refuses to believe it was suicide Despite traces of sleeping tablets in his system several clues that only a mother knows lead her to believe something more sinister took place However Louise soon realizes that Henrik had

kept many things from her and is shocked to learn he had contracted HIV While looking through his papers she discovers he was obsessed with the conspiracy theory that JFK's brain disappeared prior to the autopsy along with the vital evidence regarding bullet exit wounds The only lead is a letter and photograph from Henrik's girlfriend in Mozambique Louise's quest to unravel the mystery surrounding her son's death takes her to Africa a continent rife with disease poverty and corruption Struggling to cope with the oppressive heat and sickness Louise sees fear in every face even unexpectedly in the clinics set up by an American businessman In Kennedy's Brain Mankell confirms his status as a master of suspense and delivers a timely and riveting thriller that will have readers on the edge of their seats until the very end [Encyclopedia of Nordic Crime](#)

[Fiction](#) Mitzi M. Brunsdale, 2016-04-27 Since the late 1960s the novels of Sjöwall and Wahlöö's Martin Beck detective series along with the works of Henning Mankell Hakan Nesser and Stieg Larsson have sparked an explosion of Nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world Steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations This reference guide introduces the world of Nordic crime fiction to English speaking readers Caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of Norse mythology know that they and their world must perish but fight on regardless of cost At a time of bleak eventualities Nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit [A Treacherous Paradise](#) Henning Mankell, 2013-07-09 From the internationally acclaimed author of the Kurt Wallander crime novels a powerful stand alone novel set in early twentieth century Sweden and Mozambique whose vividly drawn female protagonist is awoken from her naiveté by her exposure to racism and by her own unexpected inner strengths Cold and poverty define Hanna Renström's childhood in remote northern Sweden and in 1904 at nineteen she boards a ship for Australia in hope of a better life But none of her hopes or fears prepares her for the life she will lead After two brief marriages both leave her widowed she finds herself the owner of a bordello in Portuguese East Africa a world where colonialism and white colonists rule where she is isolated within white society by her profession and her gender and among the bordello's black prostitutes by her color As Hanna's story unfurls over the next several years in this treacherous paradise she wrestles with a devastating loneliness and with the racism she is meant to unthinkingly adopt And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies all the expectations society has of her and more important those she has of herself Gripping in its drama evocative and searing in its portrait of colonial Africa *A Treacherous Paradise* is at its heart a deeply moving story of a woman who manages to wrench wisdom empathy and grace from the most unforgiving circumstances *The Man from Beijing* Henning Mankell, 2010-02-16 From the dean of Scandinavian noir Henning Mankell the internationally bestselling and universally acclaimed Kurt Wallander series an incredible stand alone masterpiece a bone chilling mystery that spans two centuries and four continents In the far north of Sweden a small quiet

village has been almost entirely wiped out by a mass murderer The only clue left at the scene is a red ribbon Among the victims are the grandparents of Judge Birgitta Roslin who sets out to find the killer Despite being brushed off by the police Birgitta is determined to prove that the murders were not a random act of violence but are part of something far more dark and complex Her investigation leads to the highest echelons of power and into the recesses of history where the seeds of evil deeds were planted

The Secret Life of Wallander Stafford Hildred, 2010-10-14 Almost 20 years since he first appeared in Henning Mankel's novel *Faceless Killers* the sad Swedish detective Kurt Wallander has become a worldwide success story Mankel's compelling books about the idealistic police inspector who is even more miserable than Morse have sold more than 30 million copies in 43 different languages and inspired more than 25 film adaptations In Europe readers took instantly to the troubled lonely cop with his horrendous health problems and catastrophic home life The nine Wallander novels became runaway bestsellers all over Europe but in Britain and the United States success was slower to take off But now since Kenneth Branagh has taken on the central role in the acclaimed and award winning BBC series British and American fans have really taken Wallander to their hearts The popularity of the character has turned the small Swedish town of Ystad into one of the country's top tourist attractions and many British and American visitors are joining the queue to visit murder scenes and immerse themselves in the bleak landscape made famous on screen Yet Wallander is much more than just another TV crime series Henning Mankel invented the caring policeman as a vehicle to write about the disturbing increase in violence and racism that was undermining the comfortable social democracy of Sweden Those problems are as international as Wallander's appeal

The Fifth Woman Henning Mankell, 2011 In an Algerian convent four nuns and an unidentified fifth woman are found with their throats slit In Sweden a birdwatcher is skewered to death in a pit of carefully sharpened bamboo poles How are the deaths connected It's up to Inspector Kurt Wallander to find out

Scandinavian Crime Fiction Paula Arvas, Andrew Nestingen, 2011-01-15 This collection of articles studies the development of crime fiction in Denmark Finland Iceland Norway and Sweden since the 1960s offering the first English language study of this widely read and influential form Since the first Martin Beck novel of Maj Sjöwall and Per Wahloo appeared in 1965 the socially critical crime novel has figured prominently in Scandinavian culture and found hundreds of millions of readers outside Scandinavia But is there truly a Scandinavian crime novel tradition Scandinavian Crime Fiction identifies distinct features and changes in the Scandinavian crime tradition through analysis of some of its most well known writers Henning Mankell Stieg Larsson Anne Holt Liza Marklund Leena Lehtolainen and Arnaldur Indriðason among others Focusing on Scandinavian crime fiction's snowballing prominence since the 1990s articles zoom in on the transformation of the genre's social criticism study the significance of cultural and geographical place in the tradition and analyze the cultural politics of crime fiction including struggles over gender equity sexuality ethnicity history and the fate of the welfare state Scandinavian Crime Fiction maps out the contribution of Scandinavian crime writers to contemporary European culture and society making the volume valuable to

scholars and the interested public
