High School Reunion English Edition:

Interchange Third Edition Full Contact 2B Jack C. Richards, Jonathan Hull, Susan Proctor, Charles Shields, 2006-03-20 Interchange Third Edition is a fully revised edition of New Interchange the world's most successful series for adult and young adult learners of North American English The course has been thoroughly revised to reflect the most recent approaches to language teaching and learning *Linguistics at School* Kristin Denham, Anne Lobeck, 2010-01-07 Linguistics is a subject that has remained largely confined to the academy rather than being integrated into school curricula This is unfortunate but not surprising as although some teacher education programs include courses on linguistics it is not comprehensively integrated into teacher education so it is largely absent from the curriculum This volume brings together a team of leaders in the field of linguistics and education to provide an overview of the current state of research and practice It demonstrates changes which can be made to teaching such as revising teacher's preparation developing and implementing practical applications of linguistics in both primary and secondary classrooms partnering linguists with classroom teachers and working to improve state and national education standards The contributors emphasize the importance of collaboration between professional linguists and educators in order to meet a common goal to raise awareness of the workings of language
