Ryan,2014-10-17 I don't blame my executioners I will pray God bless them So said General Tomoyuki Yamashita Japan's most accomplished military commander as he stood on the scaffold in Manila in 1946 His stoic dignity typified the man his U S Army defense lawyers had come to deeply respect in the first war crimes trial of World War II Moments later he was dead But had justice been served Allan A Ryan reopens the case against Yamashita to illuminate crucial questions and controversies that have surrounded his trial and conviction but also to deepen our understanding of broader contemporary issues especially the limits of command accountability The atrocities of 1944 and 1945 in the Philippines rape murder torture beheadings and starvation the victims often women and children were horrific They were committed by Japanese troops as General Douglas MacArthur's army tried to recapture the islands Yamashita commanded Japan's dispersed and besieged Philippine forces in that final year of the war But the prosecution conceded that he had neither ordered nor committed these crimes MacArthur charged him instead with the crime if it was one of having failed to control his troops and convened a military commission of five American generals none of them trained in the law It was the first prosecution in history of a military commander on such a charge In a turbulent and disturbing trial marked by disregard of the Army's own rules the generals delivered the verdict they knew MacArthur wanted Yamashita's lawyers appealed to the U S Supreme Court whose controversial decision upheld the conviction over the passionate dissents of two justices who invoked for the first time in U S legal history the concept of international human rights Drawing from the tribunal's transcripts Ryan vividly chronicles this tragic tale and its personalities His trenchant analysis of the case's lingering question should a commander be held accountable for the crimes of his troops even if he has no knowledge of them has profound implications for all military commanders Irish Food Law Caoimhín MacMaoláin,2019-02-21 The production marketing and exportation of food is particularly important to the Irish economy The sector continues to grow and has played a very significant role in Ireland's financial recovery This important new book provides a much needed overview of the field It traces the history and development of the fledgling system of food law as it was in Ireland during colonial times and the Irish Free State through to an examination of the current dynamic relationship between International European Union and domestic laws on matters such as food safety food labelling and advertising protected food names hygiene and food contamination The book also contains detailed assessments of the ways in which the law is used to address current health concerns such as those related to nutrition obesity and alcohol abuse as well as such issues as food fraud animal welfare organics and the use of technologies like genetic modification cloning and nanotechnology in food production *The Man Who Invented Gender* Terry Goldie,2014-07-31 In 1955 the controversial and

innovative sexologist John Money first used the term gender in a way that we all now take for granted to describe a human characteristic Money's work broke new ground and gave currency to medical ideas about human sexuality As an ardent advocate for sexual liberation he became something of a fixture in the popular imagination This book cuts through Money's talent for polemic and self promotion by digging into the substance of Money's theories and achievements It offers for the first time a balanced and probing textual analysis of this pioneering scholar's writing to assess Money's profound impact on the debates and research on sexuality and gender that dominated the last half of the twentieth century Through his analysis Goldie recovers Money's brilliance and insight from simplistic dismissals of his work due to his involvement in the tragic David Reimer case while never losing sight of his flaws Army and Navy Pension Laws, and Bounty Land Laws of the United States, 1854 Handbook of Buying Issue, 1976 The Art and Craft of Case Writing William Naumes, 2006 A practical comprehensive and multidisciplinary guide that blends an informal workshop style with solid theory and practice It is suitable for those conducting case research in business or the social sciences whether experienced or novice It also includes skills for writing both teaching cases and research cases Prospect Research for Fundraisers Jennifer J. Manual Case 184: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year.

The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023.

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
