Active Ageing and Demographic Change Siniša Zrinščak, Susan Lawrence, 2017-10-02 Although demographic change has been a widely discussed topic for decades its scope social impact and related policy responses leave us with many unresolved social issues Demographic change is a reality for all European societies but the ways in which it is taking place differ from country to country Active ageing both as a concept and policy response to the demographic ageing of populations has been widely debated researched and utilised informing both policy and practice and providing a common narrative framework to ageing However there continues to be a lack of clarity around the precise meaning of active ageing This book explores the way in which social work is critically engaging with the theme of active ageing in light of or maybe as a reaction to the policy responses witnessed within the context of large scale and rapid demographic change This book was originally published as a special issue of the European Journal of Social Work

National Forest Inventories Erkki Tomppo, Thomas Gschwantner, Mark Lawrence, Ronald E. McRoberts, 2009-12-02 Forest inventories throughout the world have evolved gradually over time The content as well as the concepts and definitions employed are constantly adapted to the users needs Advanced inventory systems have been established in many countries within Europe as well as outside Europe as a result of development work spanning several decades in some cases more than 100 years With continuously increasing international agreements and commitments the need for information has also grown drastically and reporting requests have become more frequent and the content of the reports wider Some of the agreements made at the international level have direct impacts on national economies and international decisions e.g. the Kyoto Protocol Thus it is of utmost importance that the forest

information supplied is collected and analysed using sound scientific principles and that the information from different countries is comparable European National Forest Inventory NFI teams gathered in Vienna in 2003 to discuss the new challenges and the measures needed to get data users to take full advantage of existing NFIs As a result the European National Forest Inventory Network ENFIN a network of NFIs was established The ENFIN members decided to apply for funding for meetings and collaborative activities COST European Cooperation in Science and Technology provided the necessary financial means for the realization of the program Manual Jurídico das Startups Leonardo Maciel

Manual de Investigação Qualitativa em Educação 3ª edição João Amado, 2017-06-28. O presente Manual inscreve-se no quadro de uma pedagogia que considera a investigação como um elemento fundamental do processo de ensino-aprendizagem determinante para a motivação dos alunos e ao mesmo tempo garantia da renovação do saber e da descoberta de respostas para os desafios e interrogações do futuro. Podemos apontar como intenção primeira suscitar no leitor uma compreensão efetiva da natureza, objetivos, métodos e resultados da investigação qualitativa mediante informação suficiente, rigorosa, atualizada e crítica. Nesse sentido, não deixamos de colocar o leitor ainda que de modo breve e introdutório perante os fundamentos epistemológicos que subjazem a uma opção pela investigação qualitativa. É uma vez que a nossa proposta se dirige muito em especial à investigação do fenómeno educativo, quisemos partir também de uma visão complexa desse mesmo fenómeno. Enfim, apostamos na construção de um texto que ajude os seus leitores a empenharem-se num processo investigativo de natureza qualitativa através do desenho de um plano de investigação adequado ao problema formulado em termos de estratégia geral de técnicas de recolha e de análise de dados e que patenteie preocupação pela validade da mesma e pelos aspectos éticos em jogo.

The Oxford Handbook of Portuguese Politics Jorge M. Fernandes, Pedro C. Magalhães, António Costa Pinto, 2022-09-29. The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics broadly defined of the country over the past 50 years. The Handbook includes eight sections. First it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s. Second it looks at political institutions as the building blocks of Portuguese democracy. The third section examines mass politics and voters that is a thorough analysis of the demand side of mass politics. The fourth section turns to the supply side of mass politics by looking at parties and the party system. The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics. The sixth section examines governance and public policies with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well-being. The seventh section looks at Portugal and the European Union. The eighth and final section unpacks Portuguese foreign policy and defence.

Forensic Psychology of Spousal Violence Mauro Paulino, 2016-05-10. Exploring the dynamics between victim and offender is paramount to answering important issues of character and vital for forensic research. This involves examining the role of the victim during and after victimization; this process is especially important for spousal violence because of the interactive process between the victim and the offender. *Forensic Psychology of Spousal Violence* covers the phenomenon of spousal violence and its different forms, discussing the consequences of abuse, providing research tips to be used in the field, including relevant case studies and

much more The innovative approach of this text fills a void in the current understanding of spousal violence Uses international statistics to present data of women battered and or deceased to educate change mindsets and practices and ultimately reduce the number of battered women and spousal homicides in the future Includes current case studies Includes best practices for spousal abuse investigations Portable for use in fieldwork **A Pocket Style Manual** Diana Hacker,Nancy Sommers,2014-09-24 Your students need clear complete answers to their questions about research writing and grammarand they often need them at a moments notice As their teacher you are their greatest resource but you cant be available 24 7 For help with work in class and at home and especially for questions at odd hours students can turn to A Pocket Style Manual The thoughtfully revised seventh edition makes it even easier for students to effectively and independently address their writing and research challenges With 325 documentation models in four styles and coverage of drafting thesis statements writing correctly and effectively finding and evaluating sources and writing research papers A Pocket Style Manual supports writers across the disciplines *The Education of Children and Young People in State Care* Sonia Jackson,Ingrid Hojer,2017-10-02 Young people who leave care with few or no educational qualifications are at very high risk of social exclusion in adulthood Yet in the past their education has attracted little attention from researchers or professionals Studies by the editors and contributors to this volume show that the educational standards attained by young people in care fall progressively behind those of their peers living with their own families This research based book looks at the educational experiences of children and youths in nine different European countries and Canada It identifies the obstacles that prevent them from realising their aspirations and discusses ways of improving their opportunities How can countries with different traditions welfare regimes and administrative systems learn from each other What needs to be done at national local and individual levels to give children in care equal chances with those living with their families At present a child in public care is five times less likely to go to university than others How can teachers social workers and carers better support their educational attainment and enable more of them to succeed and progress to tertiary education This book was originally published as a special issue of the European Journal of Social Work [Social Alternatives in Southern Europe and Latin America](#) Montserrat Duch-Plana,Josep M. Pons-Altés,2024-03-19 This book deals with the evolution of initiatives connected to the social and solidarity economy and their political cultures and educational implications in the south of Europe and in Latin America Employing a comparative perspective the contributors present 11 studies of these trajectories in Argentina Chile Portugal France Italy Spain and Catalonia in order to engender familiarity with social tributary practices and projects in the Latin world As the cyclical crises of capitalism and their resulting inequalities have created proposals of reform and brought them into action certain shared ideological influences and policies have emerged across these societies Faced with the interpretative schemes used for the Anglo Saxon sphere which have been the usual reference in international research this volume s geographical and cultural matrix of analysis helps fill a longstanding gap in this field The book will be
