Gretchen Schmidhausler, 2014-10-10. Craft beer has in recent years seen an unprecedented surge in popularity across the United States and Canada. Tired of mass-produced beers, drinkers have gravitated toward handcrafted small batch and often local beers, and many devotees have even begun to brew their own. This comprehensive book, written by an experienced craft brewer, provides background, discusses the ingredients employed, explains what equipment is required, and details the step-by-step how-to of the brewing process.
