Barbeau,2007-12-25 Barbeau reconstructs the system of religion that Coleridge develops in Confessions of an Inquiring Spirit 1840 Coleridge s late system links four sources of divinity the Bible

the traditions of the church the interior work of the Spirit and the inspired preacher to Christ the Word In thousands of marginalia and private notebook entries Coleridge challenges traditional views of the formation and inspiration of the Bible clarifies the role of the church in biblical interpretation and elucidates the relationship between the objective and subjective sources of revelation In late writings that develop a robust system of religion Coleridge conveys his commitment to biblical wisdom

House of Leaves Mark Z. Danielewski, 2000-03-07 THE MIND BENDING CULT CLASSIC ABOUT A HOUSE THAT S LARGER ON THE INSIDE THAN ON THE OUTSIDE A masterpiece of horror and an astonishingly immersive maze like reading experience that redefines the boundaries of a novel Simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious Michiko Kakutani The New York Times Thrillingly alive sublimely creepy distressingly scary breathtakingly intelligent it renders most other fiction meaningless Bret Easton Ellis bestselling author of American Psycho This demonically brilliant book is impossible to ignore Jonathan Lethem award winning author of Motherless Brooklyn One of The Atlantic s Great American Novels of the Past 100 Years Years ago when House of Leaves was first being passed around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the Internet No one could have anticipated the small but devoted following this terrifying story would soon command Starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children Now made available in book form complete with the original colored words vertical footnotes and second and third appendices the story remains unchanged Similarly the cultural fascination with House of Leaves remains as fervent and as imaginative as ever The novel has gone on to inspire doctorate level courses and masters theses cultural phenomena like the online urban legend of the backrooms and incredible works of art in entirely unrealed mediums from music to video games Neither Pulitzer Prize winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of the impossibility of their new home until the day their two little children wandered off and their voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams

MotorBoating , 1973-05 The Vocation of Sara Coleridge Robin Schofield, 2018-02-12 This book presents a fundamental reassessment of Sara Coleridge It examines her achievements as an author in the public sphere and celebrates her interventions in what was a masculine genre of religious polemics Sara Coleridge the religious author was the peer of such major figures as John Henry Newman and F D Maurice and recognized as such by contemporaries Her strategic negotiations with conventions of gender and authorship were subtle and successful In this rediscovery of Sara Coleridge the author revises perspectives upon her literary relationship with Samuel Taylor Coleridge Far from sacrificing her opportunities in service of her father s memory her rationale is to exploit

his metaphysics in original religious writings that engage with urgent controversies of her own times Sara Coleridge critiques the Oxford theology of Newman and his colleagues for authoritarian and elitist tendencies and for creating a negative culture in religious discourse In response she experiments with methodologies of collaborative dialogic exchange in which form as much as content will promote liberal inclusive and productive encounters She develops this agenda in her major religious work the unpublished Dialogues on Regeneration 1850 51 which this book examines in its penultimate chapter **Field and Stream** ,1984 Popular Photography ,1990-10 **Coleridge** James Robert de Jager Jackson,1970
