Objective

Students will read children's literature during the school year and compile a list of books in an Access database.

Before teaching this lesson on how to set up a database, I would discuss with the kids that we are going to be keeping a database containing all the books that they individually read this school year. At the end of the year, I will teach a second lesson on how to print a report showing the number of books that they read. We will also use this database to track the genre of each book.

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
