**Leftover Lady Has Her Day**, Zhenyinfang, 2020-03-13 The leftover girl also has spring. 陈陈xiaobaoba, 2025-02-19 Morning, come here, my sister is waiting for you here. *The Gathering Place* Brycical, 2014-12-02 It's no coincidence Toronto's name means The Gathering Place. Along with his partner in art, the multi-talented Saeng Fah Graham Brycical had no expectations upon entering Toronto, Canada. But even still, both couldn't begin to fathom just how much the city lived up to its meaning. What was only supposed to be a two or three-week stay became a creative sojourn for six months during the spring and summer of 2014. The Gathering Place is part chronicle, part diary, but above all, a celebration of the magical bonds formed with nature, people, inner beings and tribe that Brycical and Saeng Fah formed throughout their adventures in and around the greater Toronto area. *Cairo Today*, 1992 *My Odyssey* Jeyaraj C. Rajarao, 2022-12-06 This autobiography is reflective of the many-dimensional attitudes of the author, Dato Jeyaraj C. Rajarao. As he recounts his life story, it is evident that he has lived a life with passion, integrity, wit and mischief. A life of black and white with very little grey in it. The narrative begins with a simple story of love that spans decades. It then takes the reader through a young boy's experience of the Japanese occupation of Malaya until she gains independence. It is obvious that the political, social and economic situation of the period influenced Rajarao as a young boy and helped form his ideologies. Rajarao is hard-hitting and critical when he conveys his opinions about the activities of the Prime Minister and his cohorts that caused Malaysia to be regarded as the worst kleptocratic country in the world. However, the reader becomes aware of how much Rajarao loves and despairs for Malaysia as he shares how she is being torn apart by race and religion-based policies. No doubt, there is much that can be regarded as controversial or confrontational, but that is inevitable when

truth is told The book is intensely personal and immensely interesting He is brutally honest as he admits his mistakes and apologizes This book is recommended reading for the young and the old as it is both a history book as well as an autobiography It is dribbled with sharp observations on life and draws the reader into a different era yet it also educates them and recommends a purpose driven life The Odyssey is certainly most thought provoking enlightening and stimulating
