The Promise of Elsewhere Brad Leithauser, 2020-02-25 A comic novel about a Midwestern professor who tries to prop up his failing prospects for happiness by setting out on the Journey of a Lifetime Louie Hake is forty three and teaches architectural history at a third rate college in Michigan His second marriage is collapsing and he s facing a potentially disastrous medical diagnosis In an attempt to fend off what has become a soul crushing existential crisis he decides to treat himself to a tour of the world s most breathtaking architectural sites Perhaps not surprisingly Louie gets waylaid on his very first stop in Rome ludicrously spectacularly so and fails to reach most of his other destinations He embarks on a doomed romance with a jilted bride celebrating her ruined marriage plans alone in London And in the Arctic he finds that turf houses and aluminum sheds don t amount to much of an architectural tradition But it turns out that there s another sort of architecture there icebergs the size of cathedrals bobbing beside a strange and wondrous landscape It soon becomes clear that Louie s grand journey is less about where his wanderings have taken him and more about where his past encounters with romance have not Whether pursuing his first wife or his estranged current wife or the older woman he kissed just once a quarter century ago Louie reveals himself to be endearing deeply touching wonderfully ridiculous and destined to find love in all the wrong places
