## I *He Tells Her*

He tells her that the earth is flat –  
He knows the facts, and that is that.  
In altercations fierce and long  
She tries her best to prove him wrong.  
But he has learned to argue well.  
He calls her arguments unsound  
And often asks her not to yell.  
She cannot win. He stands his ground.  
  
The planet goes on being round.

My Life Alfred Russel Wallace, 1905      **My Life in Truth** David T Gilbert, 2012-07-17 The story you are about to read actually happened the places and characters are real and many are still alive today and this story is written in poetry The reason that it was done in poetry is that it is about my salvation how I came to know Jesus Christ as my Lord and Saviour and the events that actually happened to bring that about which was by all accounts a miracle of God In my Church my recognised gifts are encouragement and helps the latter being best known as works of service and the main reason for having my life story published is to encourage others that they also have a story to tell and there are times when that story needs to be told in order to encourage others also We all have a story to tell and that story is unique no one else has a story quite like you do but to be able to put your story down on paper and publish it as a book is something else I spent many hours recollecting thoughts of my past life and trying to remember bits and pieces of my past that I had forgotten about but were essential in telling my story in an exact way But even in light of the above never a day goes by where I don't give some thought to the events of my past and what happened during those past years not to mention just how far I had come since surrendering to Christ One thing I have discovered since publishing my first book unless you are doing things for yourself due to a desire just to put your experiences in book form before your story slips into oblivion save your money and your time because it really is a lot of hard work unless doors of opportunity magically open up and give you a chance in a lifetime to make it big in publishing I have included other poems as well some of which have never been published before but being a re launch of the original first book some things had to be modified and added to as well as changed in order to have the publishing of this issue as hassle free as possible Even though the poetry in this book is rather long I found that it was necessary to accommodate the story as a whole as it is about my life story noting that some people have written entire books just on their life I have attempted to make my story as brief as possible without going into too much detail which I felt would cause the reader to lose interest in the story and therefore they would miss the important theme of my story In any case I trust that my story would not only encourage you but would stir you to action in consideration of telling your story and

thereby being an encouragement and inspiration to others May God bless all who read My Life In Truth David T Gilbert

each event or issue and to avoid being judgmental or biased

*My Life as a Fake* Peter Carey, 2010-08-06 Following the triumph of his Booker Prize winning *True History of the Kelly Gang* Peter Carey ventures into the Far East with a novel shot through with mysteries at once historical literary and personal Sarah Wode Douglass the editor of a London poetry magazine had grown up knowing the famous and infamous John Slater And because he figured prominently in the disaster that was her parents marriage when Slater proposes that she accompany him to Malaysia Sarah embarks out of curiosity on a journey that becomes instead a lifelong obsession Her discoveries spiral outward from Christopher Chubb a destitute Australian she meets by chance in the steamy fetid city of Kuala Lumpur He is mad Slater warns her explaining the ruinous hoax Chubb had committed decades earlier But lurking behind the man s peculiarity and arrogance Sarah senses is artistic genius in the form of a manuscript he teases her with and which she soon would do anything to acquire The provenance of this work she gradually learns is marked by kidnapping exile and death a relentless saga that reaches from Melbourne to Bali Sumatra and Java and that more than once compels her back to Malaysia without ever disclosing all of its secrets only the power of the imagination and the price it can exact from those who would wield it Astonishing mesmerizing and ultimately shocking *My Life as a Fake* is the most audacious novel yet in Peter Carey s extraordinary career
