Kemp, Sr.,2021-12-16 *Forgotten Warriors Living with PTSD* By Eddie L Kemp Sr On May 16 1968 in North Vietnam Eddie L Kemp Sr a United States Marine was severely wounded by an artillery attack on his military base The U S Marine Corps notified his mother and family at their home in Texas that he had been killed in action Kemp woke up in what he now believes was the morgue filled

with beds of dead Marines under white sheets thinking he was the only survivor This Marine returned home with a severe loss of memory excruciating pains in his body and deep emotional scars affecting him throughout his life Like many veterans of the Vietnam War Kemp returned home from combat to find himself hated by the American people he had volunteered to protect defend and die for abandoned by the Federal Government or Veterans Administration who refused to treat him with the dignity and respect he had earned as an honorably discharged combat veteran and suffering with what he would learn decades later were severe symptoms of Post Traumatic Stress Disorder PTSD a condition that has resulted in the suicide of many of our war veterans at an alarming rate today Kemp candidly recalls numerous problems living with PTSD caused in his life He describes in detail the psychological and physical suffering he was forced to live alone with for years because he thought no one would understand or people would think he was insane However like the Marine he is Kemp fought the demons every day to live and is still fighting those same demons from hell today This Marine found the courage and strength to tell the suicidal voices of PTSD in his head that he would not become one of their victims After years of trying to make sense of what happened on that tragic day Kemp was connected with two pieces of the puzzle Exactly forty years after that ill fated day in May 1968 two Marines wounded in combat with him reunited with Kemp After weeks of talking to them the flashbacks experienced almost daily began to form complete pictures for him Finally he had someone else who truly understood what living in hell was all about You never know what tomorrow brings but Kemp hopes this book will help veterans and others living with PTSD find a way to cope fight and live another day With the support of those who found a way to love him in spite of today this Marine continues to battle the U S Department of Veterans Affairs for the dignity and respect earned as a United States Marine Realizing this is a major battle for many Kemp s message is especially for veterans struggling with this problem Choosing death should not be the final option Even when you have been made to feel worthless you are irreplaceable and of immeasurable value to those closest to you Kemp encourages you to continue the fight because somebody needs you to stay in the race Semper Fi

Secrets and Shadows Mad Wolf, 2015-12-22 This book takes my personal experiences from childhood to the point of Living with PTSD for many years I cannot speak for all Vietnam Veterans and only for myself Coming from a middle class family and enjoying growing up till a war changed everything and created an atmosphere of resentment bitterness and hopelessness for the future As a Marine Corps drill instructor once said Its our job to take kids straight out of high school whose biggest worry was getting a prom date and transforming them into cold blooded killers War is an ugly business that leaves unseen permanent scars Back then there was no outreach programs or grief counseling The Marine Corps solutions was Get drunk and forget it or Saddle up and move on because it wont get better Over 58 000 of my brothers in arms lost their lives in Vietnam and no one can really say why Then returning home to a country that scorned our service forcing us to keep deep secrets and live the rest of our lives in the shadows of other Veterans who welcomed home with open arms Vietnam veterans were the only veterans in history scorned ridiculed and

condemned for serving their country Now we are put on the broken tools of war shelf to gather dust and be forgotten in time As I have stated before Dont ask me to say the pledge of Allegiance because it wont happen I already did that enlisted in the U S Marine Corps and served this nation in war When I came home this Nation turned its back on me and all the others that served in the armpit of Asia as well This country owes me NOTHING and I owe this country NOTHING WE ARE EVEN

The Best Kept Secret Is You Daniel James Wilson,2013 The Best Kept Secret Is You A Journey into the Rabbit Hole with Autism and Love gives an inside look into the thoughts of the author as he grew to understand not only himself but the thoughts of his son with autism His story begins in 1958 and continues through 2011 As I was given to write this book it starts with my childhood and my views as I grew up Then came the gift of my first son who was labeled autistic and without speech He could not tell me his thoughts so the only place I could go was inside to see my own thoughts and as I relearned myself I knew him Then the awareness I was given allowed me to see within my thoughts and this is how I met my son at twenty nine and a half To write this book the author had to embrace living and being alone so he could hear his thoughts clearly He hopes others will be helped by The Best Kept Secret Is You
