

MY COUNTRY ESSAY 200 WORDS

My country, India, is my Motherland. It is the place where I was born and want to spend my whole life. India is also the best country to live in for many reasons. First, the people of India are very good and helpful. It is a country of non-violence. It also has some of very beautiful places like Mountains, Beaches, Deserts, Plateaus etc. The Society of India is also the best. Its culture is one of the oldest cultures of the world. Also, the people of India speak many different languages, wear different kinds of clothes and eat different varieties of food. It is a strength of my country that it has so much diversity.

India is a colourful country. The people here celebrate many festivals like Holi, Diwali, Baisakhi and many more with great enthusiasm. The country is the best for people to live because it has many seasons that I enjoy very much. We must love India because it has given us everything to live a good life. It has given us food, shelter and has taken care of all our needs, just like our mother does. This the reason why we call India our Motherland. I am proud to be an Indian.
