Grammar is one of the most important parts of learning any language. It's only with a proper understanding of grammar that we can move forward in our personal and professional life. Most of the time grammar books are too complicated and they do not provide the help that the student needs. This is where English Made Easy comes into the picture. English Made Easy is easy to read and we believe in giving simple explanations to maximize student learning. Each chapter has two levels of exercises: Starter and Advanced. Starter exercises are useful for students who need some guidance on the topic and have ample hints to solve. Advanced exercises will test students to apply the topic into action in the form of writing their thoughts in a logical manner. Each chapter ends with a marvelous mind map which gives a fun component to understand grammatical rules. We have taken excerpts from great poetry, novels, and short stories to also add a literary element to help in understanding grammar. Take a break with the fun crosswords and word games to help students appreciate the beauty of the English language. English Made Easy is a one-time purchase to benefit the entire family. It is written to appeal to students, professionals, and homemakers. Anyone and everyone can advance their language skills with this incredible book. The journey doesn't end with a purchase. Let's ensure some amazing payoffs. Sessions with the author and expert faculty solve doubts and gain clarity on difficult areas. Extra material will be sent to readers on a fortnightly basis to add value to their learning. Readers can email us with their queries and will get a personalized response. Readers can also submit their suggestions which will feature in the upcoming editions of English Made Easy.
