Thomas Sowell, 2001-02-28 This is the gritty story of one man's lifelong education in the school of hard knocks as his journey took him from Harlem to the Marines the Ivy League and a career as a controversial writer teacher and

economist in government and private industry It is also the story of the dramatically changing times in which this personal odyssey took place The vignettes of the people and places that made an impression on Thomas Sowell at various stages of his life range from the poor and the powerless to the mighty and the wealthy from a home for homeless boys to the White House as well as ranging across the United States and around the world It also includes Sowell's startling discovery of his own origins during his teenage years If the child is father to the man this memoir shows the characteristics that have become familiar in the public figure known as Thomas Sowell already present in an obscure little boy born in poverty in the Jim Crow South during the Great Depression and growing up in Harlem His marching to his own drummer his disregard of what others say or think even his battles with editors who attempt to change what he has written are all there in childhood More than a story of the life of Sowell himself this is also a story of the people who gave him their help their support and their loyalty as well as those who demonized him and knifed him in the back It is a story not just of one life but of life in general with all its exhilaration and pain

Bruce,2010-11 Yes all the things I once thought were so important are gone from my life Compared to the high privilege of knowing Christ Jesus as my Master firsthand everything I once thought I had going for me is insignificant dog dung I ve dumped it all in the trash so that I could embrace Christ and be embraced by Him Philippians 3 7 9 The Message The process of being transformed from an immature self centered child into a humble yet powerful servant of the living God can be a long and tedious journey For some it is relatively short and painless For others it may take a little longer with incidental periods of growing pains However for a select few of us such as me it can take an entire lifetime with oftentimes seemingly unbearable pain My Odyssey included drug abuse pornography alcoholism bankruptcy foreclosure divorce IRS garnishments losing custody of my daughters child support unemployment the loss of everything of any materialistic value rage and failed suicide attempts The ultimate goal of this life long odyssey was to manifest test and develop my faithfulness to Adonai and to conform me into the image of Jesus Christ my Lord and Saviour May this book be an encouragement to everyone who reads it wherever your odyssey may be at this point in time to not give up but instead to cry out to our heavenly Abba not only for the strength to endure those times of spiritual surgery as He molds our lives but also for His protection from our own self destructive lifestyles
