The Springtime Reset B.G. Gordon,2020-04-17 The Springtime Reset By B G Gordon For nearly fourteen billion years the Triple C had established conditions to support the development of intelligent life on countless worlds throughout the universe Whenever life did arise the Triple C also meticulously monitored and in a few cases aided its evolutionary progression The hope of these experiments was to guarantee a fully sustainable sentient race that would endure and prosper Tragically all the efforts failed The Triple C s last hope rests with a species which calls itself human and lives on the third planet in its local star system This final experiment s success will rest on the shoulders of thirteen humans including a former high school teacher named Jason Belvins However Belvins is searching for his own answers to life death and surviving the twenty first century

style the book delves into the personal thoughts and reflections of the Roman Emperor on various aspects of life stoicism and the nature of humanity Aurelius s meditations provide readers with a glimpse into his inner struggles ethical beliefs and contemplations on virtue and the transient nature of existence The literary context of the work reflects the Stoic philosophy prevalent during the Roman Empire emphasizing introspection and personal growth The insightful and meditative tone of the book invites readers to ponder the deeper questions of life and find solace in self reflection Marcus Aurelius as a stoic philosopher and Roman Emperor drew upon his personal experiences and observations to craft this profound work His position of power and influence likely influenced the philosophical insights and reflections present in Meditations Recommended for readers seeking philosophical contemplation and timeless wisdom Meditations is a thought provoking journey into the mind of one of history s most influential figures      *The Hundred Books* Glyn Hughes,2016-10-03 There s a set of books which you re just supposed to know about at least if you live in The West and fancy the idea of being thought educated There s the Bible Shakespeare James Joyce Walter Scott and Machiavelli Dr Jekyll Tiny Tim Starbuck Socrates Mr Scrooge Raskolnikov Einstein and Enkidu The Brontes and Boswell Wordsworth Newton Confucius and Don Quixote Here they all are 100 of the most quoted most known works of all time in the original author s own words but squashed up into nice little abridgements you can read in an hour or so Little versions which smell and sound just like the originals And with The Hundred Books it becomes possible to read the whole thing as a single narrative to discover a Pisgah View of the written history of the great grand thing of how We got where We are now in way that s just impossible for ordinary mortals Read the lot you ll love it and you ll never ever be bored in an airport again      The Meditations of Marcus Aurelius Florence Etienne Meric Casaubon,Marcus,2005-05-01 The Sages of Old Live Again in Us With the aim of making the philosophy of Marcus Aurelius approachable for a contemporary reader author M ric Casaubon introduces the historical and philosophical milieu that resulted in one of the remarkable philosophical classics of all time Long remembered for his unmistakable wisdom and the golden age attributed to his peaceful rule Marcus Aurelius was emperor of Rome from 161 to 180 A D According to Casaubon truly a rare opportunity was given to Marcus Aurelius of showing what the mind can do in despite of circumstances He was the most peaceful of warriors a magnificent monarch whose ideal was quiet happiness in home life yet born to greatness The Meditations of Marcus Aurelius is as vital today as it ever was No other philosopher shows us more clearly what it means to cultivate a peaceful mind in the face of everything that life throws our way AUTHOR BIO Florence tienne M ric Casaubon 1599 1671 was a classical scholar and a renowned editor of antiquarian books the son of the English theologian Isaac Casaubon 1559 1614 he edited his father s greatest work Ephemerides M ric Casaubon is also the author of True and Faithful Relation a diary of s ances      Tranquility Parenting Brittany B. Polat,2019-03-15 Parenting is stressful For many parents who are always busy usually tired and probably not trained in dealing with children the words tranquility and parenting do not go together Don t you just wish there was some technique out there that could help you become calm

content and confident parent Something that you could have on hand all the time to help you through your most challenging situations and stressful days Well there is something and it comes from a wisdom tradition that has been helping people through difficult situations for about 2300 years The psychological techniques developed by ancient Stoics have recently been rediscovered and Stoicism is enjoying a renaissance among people from all walks of life who are looking for fulfillment tranquility and yes the meaning of life Modern Stoicism has straightforward answers to all these questions as well as practical techniques for achieving eudaimonia the Greek word for human flourishing Stoicism encourages everyone to think things through for themselves and use their own capacity for reason and goodness And once you learn the basic principles of Stoicism you can apply them all the time in any situation Tranquility Parenting describes how Brittany Polat discovered modern Stoicism and what it can offer to stressed out parents of the 21st century As a mother of three young children Polat used to constantly doubt her parenting abilities She felt anxious frustrated and guilty about her perceived failings as a parent Now as a practicing Stoic she gained the confidence and calm she was craving and has more energy to be fully engaged and happy with them What will this book do for you It will not tell you how to potty train your child but it will tell you how to enjoy the time you spend potty training your child It will not tell you how to monitor your teen on social media but it will show you how to use practical wisdom to make decisions about media consumption It will not tell you how to make your kids eat vegetables but it will explain how to be present and engaged while you are teaching your kids to eat vegetables So if you are willing to invest time and energy in applying Stoic insights you may find that tranquility parenting is not only possible but truly the best option for you and your family **The Pamela Controversy Vol 5** Tom Keymer, Peter Sabor, John
