Livestock Genomics and Community-based Breeding Strategies in Low-and-Middle-Income Countries: Challenges, Opportunities and Future Perspectives Isidore Houaga,Maria Wurzinger,Ntanganedzeni

Mapholi,2024-07-17 Low and Middle Income Countries LMICs are home to diverse populations of livestock species adapted to various agro ecological zones production systems and harsh environmental conditions However the livestock in LMICs have not been systematically improved and current low levels of productivity do not meet the demand for livestock products by a growing population Recent advances in next generation sequencing and genotyping technologies have enabled the application of genomic selection in various livestock species in some western countries with great success Despite the low adoption of genomic breeding in LMICs livestock industry various studies and programs were initiated and some are still ongoing Furthermore community based breeding programs CBBP have been initiated in many LMICs with great benefits for smallholder livestock farmers CBBPs are based on the active participation of farmers from inception through to

implementation and consider their needs views decisions breeding objectives and available infrastructure In Africa for instance small ruminants CBBPs have generated substantial genetic gains and socioeconomic benefits for rural poor farmers However the current challenges affecting the data recording and genetic evaluation of the CBBPs in LMICS are yet to be fully reported Furthermore the CBBPs are yet to integrate genomic selection in their breeding strategies For sustainable livestock breeding in LMICS there is a need to assess the current status of livestock genomics and community based breeding strategies to identify the challenges and suggest mitigating strategies and future improvement strategy plans In this Research Topic we aim to collect findings from past and current livestock genomics and community based breeding programs the challenges the lessons learned the opportunities and future perspectives

The Journal of Health and Physical Education, 1944 Lee Street School and Its Community 1925 - 1969 Oscar L. Avant, 2016-05-03 The book tells the story of a rural black southern community that struggled to thrive during the period of segregation It brings to the forefront how a small rural community found ways to educate their black children The small schools would consolidate to increase the quality of education Eventually the Lee Street School became the one high school in the county for black children This is their story *A Learning Community in the Primary Classroom* Jere Brophy, Janet Alleman, Barbara Knighton, 2010-07-02 This richly detailed description and analysis of exemplary teaching in the primary grades looks at how a teacher establishes her classroom as a collaborative learning community how she plans curriculum and instruction that features powerful ideas and applications to life outside of school and how working within this context she motivates her students to learn with a sense of purpose and thoughtful self regulation The supporting analyses which ground

the teacher's practice in principles from curriculum and instruction educational psychology and related sources of relevant theory and research are designed to allow teacher readers to develop coherent understanding and appreciation of the subtleties of her practice and how they can be applied to their own practice Resulting from a lengthy collaboration among an educational psychologist a social studies educator and a classroom teacher the aspects and principles of good teaching this book details are widely applicable across elementary schools across the curriculum and across the primary grade levels To help readers understand the principles and adapt them to their particular teaching situations an Appendix provides reflection questions and application activities
