Repetto takes us deep inside the detective bureaus that were once the nerve centers behind crime fighting on the streets of America's great cities including the FBI itself under the direction of America's top cop J Edgar Hoover According to Repetto detectives were once able watchdogs until their role in policing became diluted by patrol strategies ranging from stop and frisk to community policing Repetto argues against these current policing systems and calls for a return to the primacy of the detective in criminal investigations Purchase the audio edition *Guncrazy America* Frank N. Egerton, 2018-10-06 The conclusion of this professor historian emeritus is that our gun culture had its uses in establishing American civilization as slavery did But we came to recognize after a bloody civil war that slavery was a gigantic mistake and now I think it's time to realize that our gun culture was a similarly gigantic mistake though of a different kind And we need to do what we can to minimize its horrible impacts and move on to a more positive development of a humane civilization Did They Rest in Peace? American Demon Daniel Stashower,2022-09-06 New York Times bestselling author and Edgar Award winner Daniel Stashower returns with American Demon a historical true crime starring legendary lawman Eliot Ness Boston had its Strangler California had the Zodiac Killer And in the depths of the Great Depression Cleveland had the Mad Butcher of Kingsbury Run On September 5th 1934 a young beachcomber made a gruesome discovery on the shores of Cleveland s Lake Erie the lower half of a female torso neatly severed at the waist The victim dubbed The Lady of the Lake was only the first of a butcher s dozen Over the next four years twelve more bodies would be scattered across the city The bodies were dismembered with surgical precision and drained of blood Some were beheaded while still alive Terror gripped the city Amid the growing uproar Cleveland s besieged mayor turned to his newly appointed director of public safety Eliot Ness Ness had come to Cleveland fresh from his headline grabbing exploits in Chicago where he and his band of Untouchables led the frontline assault on Al Capone s bootlegging empire Now he would confront a case that would redefine his storied career Award winning author Daniel Stashower shines a fresh light on one of the most notorious puzzles in the annals of crime and

uncovers the gripping story of Ness's hunt for a sadistic killer who was as brilliant as he was cool and composed a mastermind who was able to hide in plain sight American Demon reconstructs this ultimate battle of wits between a hero and a madman The Trials of Nina McCall Scott W. Stern, 2018-05-15 The nearly forgotten story of the fight against the American Plan a government program designed to regulate women's bodies and sexuality A consistently surprising page turner a brilliant study of the way social anxieties have historically congealed in state control over women's bodies and behavior New York Times Book Review Nina McCall was one of many women unfairly imprisoned by the United States government throughout the twentieth century Tens probably hundreds of thousands of women and girls were locked up usually without due process simply because officials suspected these women were prostitutes carrying STIs or just promiscuous This discriminatory program dubbed the American Plan lasted from the 1910s into the 1950s implicating a number of luminaries including Eleanor Roosevelt John D Rockefeller Jr Earl Warren and even Eliot Ness while laying the foundation for the modern system of women's prisons In some places vestiges of the Plan lingered into the 1960s and 1970s and the laws that undergirded it remain on the books to this day Nina McCall's story provides crucial insight into the lives of countless other women incarcerated under the American Plan Stern demonstrates the pain and shame felt by these women and details the multitude of mortifications they endured both during and after their internment Yet thousands of incarcerated women rioted fought back against their oppressors or burned their detention facilities to the ground they jumped out of windows or leapt from moving trains or scaled barbed wire fences in order to escape And as Nina McCall did they sued their captors In an age of renewed activism surrounding harassment health care prisons women's rights and the power of the state this virtually lost chapter of our history is vital reading *Journal of Illinois History*, 2014 **Nemesis** William Bernhardt, 2009-09-29 In Chicago Eliot Ness created the Untouchables the fabled team of federal agents who finally put Al Capone behind bars Now in the fall of 1935 Ness has been moved to Cleveland to become the city's director of public safety But as Ness starts his new job a grisly serial killer starts a career of his own One by one bodies are found each one decapitated and dissected with a doctor's skill and a madman's bent The police are baffled and the population is terrorized over the so called Torso Killer Though it's not his turf Ness is forced to take over the case but the more energy he pours into the investigation the more it takes over his life and even his untouchable reputation Because in Cleveland there is only one true untouchable a killer who has the perfect hiding place and the perfect plan for destroying Eliot Ness *Talking Book Topics*, 2015-07 *Al Capone und die Prohibition* Michael Franzen, 2025-08-12 Noch vor der Prohibition gab es Bemühungen den Alkohol in Amerika zu verbannen was sowohl die Herstellung als auch den Konsum betraf doch erst im Jahre 1920 wurde der Verkauf Transport und die Herstellung von Alkohol in den ganzen Vereinigten Staaten verboten Es folgte ein Jahrzehnt das geprägt war vom Alkoholschmuggel der Schwarzbrennerei von Bandenkriegen und dem Aufstieg berühmter Mafia Bosse die bestrebt waren den Alkoholdurst der Amerikaner zu stillen Männer wie Johnny Torrio Bugs Moran oder Alphonse Al

Capone die Chicago beherrschten und den Menschen dort lediglich das gaben nach was sie verlangten ohne sich dabei großartig um das Alkoholverbot zu kümmern
