A Guide to University of Alabama in Huntsville Security and Fire Safety Procedures and Policies

The University of Alabama in Huntsville (UAH) has prepared and is publishing this Fire Safety report in the interest of promoting student and employee safety and to comply with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the "Clery Act"), as amended by the Higher Education Opportunity Act of 2008 ("HEOA"), and their implementing regulations. The Report included both fire statistics for the three most recent calendar years and certain fire-related policies of the University. The information is distributed each year to enrolled students and current employees and is also made available to prospective students and employees.

Awareness & Training Regarding Fire Safety Education

The Environmental Health and Safety office offers training including Fire Safety Awareness and Safe Use of Fire Extinguishers to any student, faculty, staff or administration member interested in such training. During this training, more in-depth information regarding UAH policies, hazard awareness and emergency evacuation procedures is provided. To schedule training or to receive more information concerning training, contact Environmental Health and Safety at (256) 824-2352.

Each semester the Housing Office educates students on the causes of fires, ways to reduce fires and the steps each person should take in the event of a fire. Fire evacuation drills are conducted once during each calendar year (in the Fall Semester) at all on-campus housing facilities.

Emergency and Fire Safety Policies, Procedures & Guidelines

All campus personnel must cooperate with University officials in case of severe weather, fire, civil emergency, or any other actual or threatened emergency.
