ReviewIt is a very very wonderful book It is still so painful and personal and I am in awe of your courage in publishing it it is probably one of the most moving things I have ever read I am more than a little impressed with how you manage to cope with all the things you do And what comes over more than anything is the vast amount of love you have inside and are able to give This is very obviously your love for your family children first and most quite rightly but also your love for friends colleagues and unempowered humanity generally I always thought you were one of the good guys and now I know it Through all your misery of depression and associated problems not to mention your poor arse of course there shines a huge and dazzling light of wit charm intellect compassion generosity and understanding These are all facets of a person I value most highly and I am gobsmacked by your ability yeah I know it's often stretched beyond breaking to keep hold of them Yes you do It is a privilege to know you Thank you for the book Do another By Tony Cooke local health worker *New York Court of Appeals.
