

# 10 ways to become a more confident person

We all have two lives – the life we live and the life we want. But anxiety and self-doubt can prevent us from realizing our potential and leading happier, more fulfilling lives.

If you're keen on boosting your confidence – there's good news: like any other skill, confidence can be built and improved upon. Here's how to start.

## Express yourself

If left unchecked, poor self-confidence can stop you from living your life.

Good self-confidence, on the other hand, allows you to achieve the real goals in your life – whatever they may be.

### The 3 biggest myths about self confidence

1

*"It's something  
you're born with."*

Wrong – self-confidence is something that can be learned, just like anything else.

2

*"I'd feel more  
confident if I  
knew I'd  
succeed at  
something  
new."*

Not true – it might be harder to get back on the ladder, but you'll rise again harder and stronger for it.

3

*"Once it's gone,  
it's gone for  
good."*

Wrong again – how can you know you'll succeed if you've never tried? Learn to embrace the excitement of uncertainty.

By acting with a little more confidence in difficult situations, you can subtly transform your life from the inside out.
