Integral Operational Leadership Greg Park, 2016-11-18 Throughout *Integral Operational Leadership* Park acknowledges that the principles perspectives and priorities highlighted in his first book *Collaborative Wisdom From Pervasive Logic to Effective Operational Leadership* must be translated into practical and operational guidelines Part I of this new volume briefly revisits the theory and concepts introduced in *Collaborative Wisdom* and brings to centre stage an alternative organisational framework and culture which has long operated on the sidelines in many business sectors The substantive content of this volume however is dedicated by way of case studies and exercises to offering insights that encourage and facilitate effective day to day decision making This book creates a logical and robust chain from the hidden often forgotten subconscious and intuitive element of the leadership cognitive process to the daily issues decisions practices and actions of leaders within the operational environment It demonstrates how the existence of a

collaborative wisdom can influence the implementers as well as the policymakers within the organisational leadership cadre Integral Operational Leadership provides support for industry professionals who are seeking to develop their organisational capabilities and performance through clear operational leadership This book concerns itself with an alternative and progressive leadership logic based upon perspectives priorities and practices considered more attuned to the realities of the twenty first century environment within which the business organisation operates **Cultivating Seeds of Hope** Murray Coetzee, Retief Moller, L. D. Hansen, 2015-05-01 This publication is a collection of 40 oral testimonies about Beyers Naud but also about the apartheid era in general and about the role that Christianity played in that period In addition to an abundance of insights on Beyers Naud by those who knew him best it offers perspectives on the movements and entities that Naud associated himself with for example the Christian Institute the South African Council of Churches and the people involved in both Stories unfold of faith and suffering as well as betrayal all against the background of an overtly racist apartheid state and by implication against a capitalist system with class divisions that degraded human beings and denied their human dignity *In the Event* Lotte Meinert, Bruce Kapferer, 2015-05-01 Events are generative moments in at least three senses events are created by and condense larger scale social structures as moments they spark and give rise to new social processes in themselves events may also serve to analyze social situations and relationships Based on ethnographic studies from around the world varying from rituals and meetings over protests and conflicts to natural disasters and management this volume analyzes generative moments through events that hold the key to understanding larger social situations These events including the Ashura ritual in Bahrain social cleavages in South Africa a Buddhist cave in Nepal drought in Burkina Faso an earthquake in Pakistan the cartoon crisis in Denmark corporate management at Bang Olufsen protest meetings in Europe and flooding and urban citizenship in Mozambique are not simply destructive disasters crises and conflicts but also generative and constitutive of the social Out of the Closet Vutlhari Tlakula, 2011-06-13 Describes the authors life as a Christian how he contracted and was diagnosed with HIV A brutally honest sometimes humorous novelstyle narration of events in his life that led to him contracting the dreaded condition despite his Christian background how he responded to the diagnosis dealt with it and how he lives in continuous victory over the condition His is a true story of infidelity intrigue disillusionment divine encounters and victorious attitude You will be inspired to laugh at any life threatening condition you may face in life With him you will ride a roller coaster of temptation to like him and then hate him and then hail his resilience With South Africa holding the title of having the highest HIV AIDS prevalence in the world there is still very much denial in the existence and manageability of the disease This is an applaudably bold step taken by Tlakula opening doors to our society to face the feared and dreaded disease and adopt a different perspective approach and overall outlook towards the epidemic Dr Q P Diale Pretoria West Hospital Parcel of Death Gaongalelwe Tiro, 2019-08-01 Parcel of Death recounts the little told life story of Onkgopotse Abram Tiro the first South African freedom fighter the apartheid regime pursued beyond

the country's borders to assassinate with a parcel bomb On 29 April 1972 Tiro made one of the most consequential revolutionary addresses in South African history Dubbed the Turfloop Testimony Tiro's anti apartheid speech saw him and many of his fellow student activists expelled igniting a series of strikes in tertiary institutions across the country By the time he went into exile in Botswana Tiro was president of the Southern African Student Movement SASM permanent organiser of the South African Student Organisation SASO and a leading Black Consciousness proponent hailed by many as the godfather of the June 1976 uprisings Parcel of Death uses extensive and exclusive interviews to highlight significant influences and periods in Tiro's life including the lessons learned from his rural upbringing in Dinokana Zeerust the time he spent working on a manganese mine his role as a teacher and the impact of his faith in shaping his outlook It is a compelling portrait of Tiro's story and its lasting significance in South Africa's history *Fiat Lux*, 1986-02 **Fat, Fame, and Life with Father** Deirdre Barnard, 2003 This is the story of Deirdre Barnard champion water skier daughter of pioneering heart surgeon Chris Barnard woman in her own right In this wise and funny book Deirdre Barnard stands up and tells it like it is about life in the Barnard family as they coped with the successes and losses that befell them about the heartless intrusions into privacy that were the flip side of fame about bereavement and true friendship and the sustaining power of family Deirdre Barnard is an entertaining and courageously forthright storyteller with a wicked wit This is a moving account of her sometimes painful but ultimately uplifting personal journey its compassion and humour will touch us all
