Unit 1 Rescue The concept of salvation is broad and inclusive of many divine actions by which we are rescued from the human predicament The lessons in this unit focus on the freedom to which we are liberated In the Roman world the freer you were the more power you exercised over others Today we think of freedom as the ability to do whatever we want without restrictions In the Bible freedom is about choosing to whom or what we devote ourselves without restriction Paul described that choice as servitude to sin or becoming a slave to Christ
