Surface For Dummies Andy Rathbone, 2014-04-28 Make Microsoft's Surface work and play just the way you want it to. Microsoft's Surface tablet has the features and personality you're looking for with a robust environment for business computing that doesn't skimp on fun. Surface for Dummies 2nd Edition explains how Windows 8.1 Pro and Windows RT differ and helps you decide which Surface model is best for you. Step by step, this book walks you through both the hardware and software features of the Surface including the touch cover and type cover. Windows RT and Windows 8.1 Pro operating systems and the coveted Office Home Student 2013 software suite that's bundled with the Surface. Written by bestselling author Andy Rathbone, this easy-to-access book is filled with information on how to use the tablet, figure out the operating system, navigate the app environment, and take advantage of your exciting new Surface. The book is your personal guide to one of the fastest, sleekest, and most powerful tablets on the market. Surface is designed to be thin, light, and with hours of battery life so you can power through your day with ease. With this handy reference, you'll be able to make quick work of your to-do list and have fun all at the same time. Create, release your inner artist with Fresh Paint, a touch-based art app. Share Multiple accounts offer privacy and security so you can share your Surface but not your stuff. Enjoy Snap apps side by side to multi-task on the vivid HD screen. Discover New apps in the Windows Store so you can work efficiently and get more done. With Surface For Dummies 2nd Edition, you can navigate and enhance your entire Surface experience. **Flair** Jim

Poage, Jennifer Poage, 2016-03-15 Learn how to add WOW to your products, services, and everyday work in order to increase sales as well as advance your career. What makes certain products gain mass appeal, acquire a dedicated following, and draw customers to wait in line for the latest version? Why do some restaurants book out weeks in advance and create buzz among would-be patrons? How are certain employees able to energize their colleagues and elicit enthusiastic participation during meetings? What sets these notable products, services, and employees apart is their flair, their charm, panache, liveliness, and energy. Flair shows how to add meaning and joy to your products, services, and everyday work. Employing principles and practices developed from interviews and research with design firms, artists, and business experts, the authors show that anyone can create inspiring flair, not only in products and services but in their own daily work in reports, presentations, and meetings. The benefits of flair for your company are an exceptional reputation, increased sales, and premium prices. For you, flair increases management's appreciation of your work, enabling you to stand out and advance your career. And once you fully understand flair, you'll see that creating it can be fun. **A Beginners Guide to Windows Surface** Katie
