studies women's studies cultural studies sociology and anthropology *Time's a Thief* B.G. Firmani, 2018-04-03 It's the mid 1980s in gritty vibrant New York City when Francesca Chess Varani strikes up a volatile friendship with drama queen classmate Kendra Marr. Drawn into the orbit of Kendra's Salingeresque family, Chess moves into their Greenwich Village home when she graduates from Barnard and takes a job assisting the infamous literary intellectual Clarice Marr. There she receives the sentimental education and emotional roughing up New York bestows on all its young hopefuls including a doomed love affair with Clarice's troubled son. Narrating her story twenty years on from the winter of the 2008 financial crisis, a sadder but wiser Chess evokes her youth with all the poignancy of time passing and all the weight of choices made and not made.

2020 the Campaign Chronicles JD Foster, 2021-02-17 The 2020 campaign began with the 2016 election of Donald J. Trump and effectively rendered a verdict on his presidency. The Democratic Party sifted through a small army of worthies to defeat Trump and in former Vice President Joe Biden they found their champion. Biden claimed the nomination following a phoenix-like rise propelled by a miraculous South Carolina primary victory. Backed by the party establishment and the mainstream media, Biden's weak campaign proved sufficient by a handful of votes in a handful of states and leaving Biden with little mandate other than to avoid being like Trump. The story of the 2020 election is in part a story of America and the Trump presidency, a stormy marriage of highs and lows shaped by contrived investigations into Russian government interference, a failed impeachment, a welcomed intolerance for sexual harassment, the exposure of deep racial divisions highlighted by widespread and often violent rioting accompanied by a re-examination of the role of the police, a strong economy until crushed by the coronavirus pandemic and then the pandemic tragedy itself. The Trump presidency's four years astounded for better or for worse depending on point of view. This book chronicles the 2020 election and thus the events that shaped the election over the course of four years, written contemporaneously to capture the flavor of the moment, praising and criticizing Trump and his many antagonists in equal measure. Those enamored of the former president will find succor and outrage as will those who delighted in his defeat. Those seeking to understand what happened will find the reading interesting, infuriating and perhaps in places illuminating.

Just Read It Jarred Amato, 2024-02-01 Read widely and read often create a classroom environment where independent reading thrives. Independent reading is more than just drop everything and read; it is a gateway to writing, critical thinking, discussion and deeper learning. Author Jarred Amato, an accomplished middle and high school English teacher and founder of Project LIT Community, believes in the power of independent reading not only to turn around the reading attitudes of students but also to help them achieve huge gains in all areas of literacy, learning and civic engagement. Many teachers have pushed aside independent reading in the time crunch to teach all the content and skills in the curriculum or because of pressure to stay true to a traditional literary canon. Instead of looking at it as either/or, *Just Read It* shows teachers how to make independent reading yes, and Dr. Amato's Read and WRAP (write, reflect, analyze, participate) framework helps teachers cultivate meaningful learning experiences with daily dedication of
